writer is considered including the giants Harlan Coben Patricia Cornwell James Lee Burke James Ellroy and Sara Paretsky as well as non crime writers such as Stephen King who stray into the genre often through a concentration on one or two key books Many exciting new talents are highlighted and Barry Forshaw s knowledge of and personal acquaintance with many of the writers grants valuable insights into this massively popular field But the crime genre is as much about films and TV as it is about books and this book is a celebration of the former as well as the latter American television crime drama in particular is enjoying a new golden age and all of the important current series are covered here as well as key important recent films

Angeles mayor Tom Bradley a former LAPD officer and the first Black mayor of the city To overcome Gates s entrenched power Bradley assembled a team that included future US secretary of state Warren Christopher the local ACLU Congresswoman Maxine Waters and activists who saw the struggle against Gates as an important chapter in the civil rights movement Much of the local media especially the Los Angeles Times was supportive of Bradley s agenda as was the burgeoning gangsta rap culture of LA much of which emerged in reaction to the LAPD Author Danny Goldberg was the chair of the ACLU Foundation of Southern California during those years and was personally acquainted with the leaders of the fight against Gates He interviewed several dozen people who are still alive and got access to thousands of pages of documents among the papers of Stanley Sheinbaum who was married to the heiress of the Warner Bros film fortune Sheinbaum was chosen by Mayor Bradley to be the president of the Los Angeles Police Commission with the specific mission of getting Gates out of office Goldberg s insider saga demonstrates that cooperation between the political left and center is required to overcome white grievance and unaccountable power
