The Great Christmas Candy Caper:

The Great Christmas Candy Caper Karen Hall, 2015-01-24 Popular bachelor Robert Barnwell is in no hurry to get married. Between running his family's candy company while his uncle is on his honeymoon and his round of social engagements, he has no time to fall in love, especially when his competition with Hanover's chief rival for a coveted cash prize is when pretty saleswoman Laura Stern convinces him to buy a typewriter. Bob hires her as a temporary secretary and finds himself unexpectedly attracted to her. But then calamity strikes the factory and it looks as if the woman of Bob's dream might be his worst Christmas nightmare come true. Laura Stern loves the independence her work being a sales clerk and a volunteer teacher gives her. Give that up for a husband? No, thank you. Calling on England's biggest candy company to demonstrate a typewriter is just part of her job. But when Robert Barnwell hires her to work the few weeks before Christmas and they later wind up in the same community choir, her heart begins to take on a mind of its own. And just when it looks like Cupid is about to strike, an old nemesis makes its own mark, threatening not only Laura's reputation but her newfound love as well. *Weekly World News*, 1985-01-29 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. Trouble at Table 5 #1: The Candy Caper Tom Watson, 2020-02-25 From the author of *Stick Dog* comes the first book in a highly illustrated early chapter book series about three best friends whose plans, missions, and schemes are sure to shake up their school. Molly gets things stuck in her head sometimes. When she sees a jar of candy on Principal Shelton's desk, she absolutely needs to know how many candies are in that jar. Luckily, her two best friends, Simon and Rosie, are ready to help her find the answer, even if it means detention for all of them. HarperChapters build confident readers one chapter at a time. With short, fast-paced books art on every page and milestone markers at the end of every chapter, they're the perfect next step for fans of *I Can Read*.

The Almond Bark Christmas Candy Caper Jamie Gerry, 2023-11-27 Natalie Almond is a smart cookie with a big problem: she just can't tell her friends, not even when their half-baked ideas involve the words "sneak and don't tell." She couldn't back in 1994, and she still can't today. And that folks leads up to some fully baked trouble. Welcome to the Almond Inn Cozy Mysteries. The prequel, a short Christmas novella, takes us back thirty years when Natty and her friends are eleven and turn the Baptist Church upside down and inside out. Book one in the series, *Getting Toasted in Almond*, is coming in 2024 and is set in the present day when Natty and her friends have grown up mysteries to solve. Definitely the best writing this author has ever done. Far superior to her earlier books, there's just no comparison. Cause this is the work of a storyteller, not just a writer. Gail Roughton, author of *Raising Cain*, *The Witch Wars*, and more. I enjoyed reading the prequel very much. The author's characterizations are excellent as she created unique personalities in Natty, Vivian, CeCe, and all the additional characters involved with the story, a delightful prelude that gives the reader a foretaste of the three main characters as 11-year-olds. Having done so adds sparkle to their

personalities and should nicely tie into The Almond Inn Cozy Mysteries as the stories unfold Sydell Voeller author of Merry Christmas Marcie Daisies are Forever and more
