The Great Irish Potato Famine:

Black Potatoes Susan Campbell Bartoletti, 2001 The award winning author pens a fascinating account of the potato blight that struck in Ireland telling the story of the men women and children who made every attempt to survive and hang on to hope

The Great Irish Potato Famine James S Donnelly, 2002-11-01 In the century before the great famine of the late 1840s the Irish people and the poor especially became increasingly dependent on the potato for their food So when potato blight struck causing the tubers to rot in the ground they suffered a grievous loss Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America changing the country forever During and after this terrible human crisis the British government was bitterly accused of not averting the disaster or offering enough aid Some even believed that the Whig government's policies were tantamount to genocide against the Irish population James Donnelly's account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters and government responses to them can alter the destiny of nations

Black Potatoes Susan Campbell Bartoletti, 2001 The story of the Great Irish Famine through the eyes and memories of the Irish people Tells how they lived why their lives depended on the potato how they dreaded the workhouse and how they feared and defied the landlord who collected the rent and evicted them

The Great Famine Charles River Charles River Editors, 2016-07-12 Includes pictures Includes accounts of the famine by Irishmen who suffered through it Includes online resources and a bibliography for further reading Includes a table of contents I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than

the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1.5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America

The Great Famine The History of the Irish Potato Famine during the Mid 19th Century looks at the history of the notorious famine and its results Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all *The Great Famine* Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history [The Irish Potato Famine](#) Jill Sherman, 2016-08-01 In the mid 1840s potato blight ruined the crops of impoverished farmers across Ireland Many families went hungry without their main source of food Disease struck down people weakened by starvation as the government struggled to address the problem Would the country ever recover To understand the impact of a disaster you must understand its causes How did the system of landlords and tenants contribute to the disaster How did British views of the Irish keep leaders from providing suitable aid Investigate the disaster from a cause and effect perspective and find out

Black '47 and Beyond Cormac Ó Gráda, 2000-09-03 Moving away from the traditional narrative historical approach to the catastrophe O Grada concentrates instead on fresh insights available through interdisciplinary and comparative methods He highlights several economic and demographic features of the famine previously neglected in the literature such as the part played by traders and markets by medical science and by migration [The Great Irish Famine](#) Christine Kinealy, 2017-03-14

The Great Irish Famine of 1845-51 was both one of the most lethal famines in modern history and a watershed in the development of modern Ireland This book based on a wide range of little used sources demonstrates how the Famine profoundly affected many aspects of Irish life the relationship between the churches the nationalist movement and the relationship with the monarchy In addition to looking at the role of the government Kinealy shows the importance of private

charity in saving lives One of the most challenging aspects of the publication is the chapter on food supply in which Kinealy concludes that despite the potato blight Ireland was still producing enough food to feed its people The long term impact of the tragedy notably the way in which it has been remembered and commemorated is also examined *The Great Irish Famine: A History in Documents* Karen Sonnelitter,2018-10-30 In the fall of 1845 a mysterious blight ravaged Ireland's potato harvest beginning a prolonged period of starvation suffering and emigration that reduced the Irish population by as much as twenty five per cent in a mere six years The Famine profoundly impacted Ireland's social and political history and altered its relationships with the United Kingdom and the rest of the world This document collection provides a broad selection of historical perspectives depicting the causes the course and the impact of the Famine Letters speeches newspaper articles and other works are collected within carefully described and annotated for the reader A substantial introduction a chronology of events and a useful glossary are also included to aid in the interpretation of the primary texts *The Great Irish Famine - A History in Four Lives* Enda Delaney,2012-10-12 The Great Irish Famine of 1845-52 was the defining event in the history of modern Ireland In proportional terms one of the most lethal famines in global history the consequences were shocking at least one million people died and double that number fled the country within a decade The Great Irish Famine surveys the history of this great tragedy through the testimonies of four key contemporaries conveying the immediacy of the unfolding disaster as never before They are John MacHale the Catholic Archbishop of Tuam John Mitchel the radical nationalist Elizabeth Smith the Scottish born wife of a Wicklow landlord Charles E Trevelyan the assistant secretary to the Treasury Each brings a unique perspective influenced by who they were what they witnessed and what they stood for It is an intimate and compelling portrayal of these hungry years The book shows how misguided policies inspired by slavish adherence to ideology worsened the effects of a natural disaster of catastrophic proportions A significant and sophisticated addition to the historiography of the Famine Christopher Cusack Times Literary Supplement Delaney's approach to the story is innovative it will be found in the hands of those who appreciate first rate history a very impressive book Breandán Mac Suibhne Dublin Review of Books a genuinely original and illuminating perspective on a subject too often dealt with by means of second hand narrative and unexamined clichés Roy Foster Professor of Irish History Oxford University There are many books on this terrible event but this is one of the most fluent and original Although it is based on large amounts of primary research its style is accessible and engaging and the result is a valuable study of a truly harrowing crisis The Times Higher Education Supplement an extraordinarily important subject focusing on four fascinating characters Ryan Tubridy Delaney offers an insightful readable overview of this overwhelming disaster highly recommended Choice America's Library Association publication The Great Irish Famine Table of Contents PROLOGUE THE LAND OF THE DEAD PART I BEFORE THE FAMINE Encounters Land and people Politics and power PART II THAT COMING STORM Spectre of famine Peel's brimstone PART III INTO THE ABYSS A starving nation The fearful reality Property and poverty PART IV LEGACIES Victoria

Christine Kinealy, 2006-05-02 The Great Famine of 1845 52 was the most decisive event in the history of modern Ireland In a country of eight million people the Famine caused the death of approximately one million while a similar number were forced to emigrate The Irish population fell to just over four million by the beginning of the twentieth century Christine Kinealy's survey is long established as the most complete scholarly survey of the Great Famine yet produced First published in 1994 This Great Calamity remains an exhaustive and indefatigable look into the event that defined Ireland as we know it today

Mapping the Great Irish Famine Liam Kennedy, Paul S. Ell, L. A. Clarkson, 1999 Mapping the Great Irish Famine provides the first comprehensive attempt to represent cartographically the dramatic impact that the Great Potato Famine has had on Ireland *The People's Potato and the Great Irish Famine* Tony Hills, 2008-08 The Irish Potato Famine figures as one of the most devastating occurrences in European history The suffering of the people the thousands of deaths the seeming unconcern of government bodies who could have assisted more than they did all are part of a catastrophe centred on that humblest of plants the potato Tony Hills brings new light to this old tale With sympathy and poignant detail he weaves his chronicle of the famine set in the context of the potato's history in Europe Decades perhaps centuries of contributing factors influenced the havoc wrought by the blight in the 1840s and as you will discover potatoes continue to be found at the centre of political debate right up to the present day This book may change the way you think about the potato for ever **The Graves Are Walking** John Kelly, 2012-08-21 Though the story of the potato famine has been told before it's never been as thoroughly reported or as hauntingly told New York Post It started in 1845 and before it was over more than one million men women and children would die and another two million would flee the country Measured in terms of mortality the Great Irish Potato Famine was the worst disaster in the nineteenth century it claimed twice as many lives as the American Civil War A perfect storm of bacterial infection political greed and religious intolerance sparked this catastrophe But even more extraordinary than its scope were its political underpinnings and *The Graves Are Walking* provides fresh material and analysis on the role that Britain's nation building policies played in exacerbating the devastation by attempting to use the famine to reshape Irish society and character Religious dogma anti relief sentiment and racial and political ideology combined to result in an almost inconceivable disaster of human suffering This is ultimately a story of triumph over perceived destiny for fifty million Americans of Irish heritage the saga of a broken people fleeing crushing starvation and remaking themselves in a new land is an inspiring story of revival Based on extensive research and written with novelistic flair *The Graves Are Walking* draws a portrait that is both intimate and panoramic that captures the drama of individual lives caught up in an unimaginable tragedy while imparting a new understanding of the famine's causes and consequences Magisterial Kelly brings the horror vividly and importantly back to life with his meticulous research and muscular writing The result is terrifying edifying and empathetic USA Today **Mapping the Great Irish Famine** Liam Kennedy, 1999 This book

represents cartographically the dramatic impact that the Great Potato Famine had on Ireland Based largely on the enormous body of statistics contained in the Database of Irish Historical Statistics at the Queen s University of Belfast the authors present a picture of Ireland before during and after the Great Famine *Feed the Children First* Mary E. Lyons,2002-02-01

The great Irish potato famine the Great Hunger was one of the worst disasters of the nineteenth century Within seven years of the onset of a fungus that wiped out Ireland s staple potato crop more than a quarter of the country s eight million people had either starved to death died of disease or emigrated to other lands Photographs have documented the horrors of other cataclysmic times in history slavery and the Holocaust but there are no known photographs whatsoever of the Great Hunger In *Feed the Children First* Mary E Lyons combines first person accounts of those who remembered the Great Hunger with artwork that evokes the times and places and voices themselves The result is a close up look at incredible suffering but also a celebration of joy the Irish took in stories and music and helping one another all factors that helped them endure The Great Irish Famine Canon John O'Rourke,1989 When the great Irish famine of the years 1845 49 finally ceased it had taken a toll of the Irish nation from which it has never fully recovered More than 1 2 million people died as a result of hunger or disease In six years from 1846 1851 more than 1 8 million left the country Those who were left in a stricken motherland were sunk in misery and despair With the decimation and emigration of its users the Irish language suffered a mortal blow The nation seemed doomed to extinction This definitive work is a vivid record of this catastrophe that almost wiped out the Irish nation It also provides a history of previous famines in Ireland and gives a fascinating account of the arrival of the potato in Europe and its introduction to Ireland Also discussed is the onslaught of the blight and the puny efforts by the London government to counter its effects Publisher description **The Great Irish Famine - A History in Four Lives** Enda Delaney,2012 **The Irish Potato Famine** Charles River Charles River Editors,2014-11-25 Includes pictures Includes accounts of the Famine written by survivors and newspapers Includes a bibliography for further reading I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other
