Cook, 1983 This book includes a chronological listing of issues of the Dime Novel Roundup which was published for over fifty years It also features an index to the contents of the Dime Novel Roundup *Love and Liberty: A Thrilling Narrative of the French Revolution of 1792* Alexandre Dumas, Of all the remarkably interesting events connected with the French Revolution perhaps the one most worthy of notice is the flight of Louis XVI and his capture at Varennes At the time when I determined to take the trip of which I will give you some details and which put me in possession of the memoirs I am about to publish that is to say about the 19th of June 1856 I had read almost all that had been written concerning the above mentioned flight I wish to start from Ch lons because from the fact of the King being recognized there came the train of events which ended at Varennes on the evening of his arrest The capture of Louis at Varennes was the

culminating point of royalty For although it took seven hundred and four years to arrive at Varennes it took but nineteen months to descend from Varennes to the Place de la Revolution It is not because the heads of three persons who were in the carriage that took royalty to the precipice fell on the scaffold that we mark out the event as the greatest in the French Revolution and indeed in the whole history of France No It is because the arrest of the King in the little town of Varennes unknown on the 22nd of June and on the morrow fatally immortalized was the source of the political convulsions which have since occurred My resolution to go to Varennes once taken I started from Paris on the 19th of June 1856 and on the 20th of the same month at one o'clock next morning I arrived at Châlons I was as you know in search of details actually seen by eye witnesses I soon discovered two old men who could give me the necessary information One was a Monsieur Ricaise at Châlons one of the postilions who drove the King the other Monsieur Mathieu notary at St Menehould who had seen the horses changed at the moment that Drouet recognized the King But it was especially necessary to discover some one at Varennes who remembered some incidents connected with the affair because at Varennes occurred the most dramatic part of the whole catastrophe I first asked a keeper of the records whether he knew any one who had seen the King and assisted to arrest him He mentioned Colonel R n Besson I asked him to give me his address I will do better said he I will take you to him At the very moment that we entered by the Rue de l'Horloge that place where Louis XVI was arrested which singularly enough has the shape of the axe of the guillotine my guide put his hand on my shoulder Eh said he here is the very man we want And he showed me at the corner of the Place Latry and the Rue de la Basse a fine old man warming himself in the rays of the sun and sitting in a large arm chair before his door It was Colonel R n Besson We drew near to him Imagining that we had some business with him he arranged himself more comfortably in his chair and waited an explanation Ah ah is it you Monsieur Leduc said he Yes Colonel it is I and in good company too as you may see my companion replied Colonel I call on you in right of being the son of one of your old companions in arms for you took a part in the Egyptian campaign under General Desaix Yes sir I did answered he The fact of being the son of an old companion in arms I continued and of bearing the name of the conqueror of Murad Bey induced me to take the liberty of calling on you and asking for information on certain points To commence Were you at the battle of Valmy I was with my regiment six days before on the 2nd of September and I just missed leaving my bones at La Force in trying to rescue a woman a princess I should say
