## **The Honorary Consul By Graham Greene:**

*The Honorary Consul* Graham Greene, 2000-09-11 Relates the story of the politically motivated kidnapping of Charlie Fortnum a minor British functionary in Argentina

**The Honorary Consul** Graham Greene, 1974 *The Honorary Consul*, 1980

**The Honorary Consul - based on the novel by Graham Greene**, 1989 *The Honorary Consul* Graham Greene, 1985

Set in a provincial Argentinean town The Honorary Consul takes place in that bleak country of exhausted passion betrayal and absurd hope that Graham Greene has explored so precisely in such novels as *The Power and the Glory* and *The Comedians* On the far side of the great muddy river that separates the two countries lies Paraguay a brutal dictatorship shaken by sporadic revolutionary activity on the near side a torpid city whose only visible cultural institution is a brothel The foreigners of the city are refugees each washed up on the banks of the Parana by some inner disaster or defeat Dr Eduardo Plarr a physician whose English father has vanished into a Paraguayan prison and for whom caring is the only dangerous thing Humphries a teacher of English who has touched bottom and accepted it Charley Fortnum the Honorary Consul who at the age of sixty one sustained by drink and his disputed status as British Consul still retains enough hope and illusion to marry a twenty year old girl from Senora Sanchez brothel With gathering force Graham Greene draws his characters into the political chaos that lies beneath the surface of South American life Fortnum is kidnapped by Paraguayan revolutionaries who have mistaken him for the American Ambassador Realizing their error they threaten to execute him anyway if their demands are not met Plarr torn between his instinctive feeling for the revolutionaries one of whom is an old friend and his ambiguous relationship with Fortnum whose wife he has taken as a lover becomes involved in a tragicomedy that leads inexorably to a meaningless death At the center of *The Honorary Consul* is Plarr a brilliant Graham Greene creation perhaps the most moving and convincing figure in his fiction Plarr is a man so cut off from human feeling so puzzled by the emotional needs of men like Fortnum that he is paradoxically vulnerable chillingly exposed and required in the end

**A Structural Analysis of The Honorary Consul by Graham Greene** Rudolf E. van Dalm, 1999

Is Graham Greene really the great novelist we think he is In what way did he succeed in keeping his readership spellbound What was the driving force behind his so called Catholicism Was there a special reason for him to call *The Honorary Consul* his favourite book Why is clock time such a matter of great concern to those who otherwise believe the book to be his greatest And is there any reason for calling his characters empty or full and anything in between instead of just defining them flat or round The answers to these and many other intriguing questions are to be found in this captivating analysis of *The Honorary Consul* by Rudolf E van Dalm Instead of being only a study on Graham Greene it has turned out to be a fascinating report on what makes Greene such an absorbing writer One of the most gripping publications on the famous British author on the eve of the millennium the book is both entertaining and instructive

**Typescript; with Contracts for Film and Publication Rights to Other Works by Graham Greene** Graham Greene, 1935  
 Comprises 1 A typescript of Greene's novel *The Honorary Consul* dated September 1969 to September 1972 2 Contracts for the translation reprinting and film rights to a number of Greene's works accompanied by some statements of sales statements of royalties earned manuscript notes and related correspondence Works covered include *Stamboul train* *It's a Battlefield* *A Gun for Sale* *Brighton Rock* *The Lawless Roads* *The Confidential Agent* *The Power and the Glory* *The Ministry of Fear* *The Heart of the Matter* *The Third Man* and *The End of the Affair*      **A Common Spring** Nadya Aisenberg, 1979 Nadya Aisenberg discusses the potentialities of the crime novel its implications principles and scope and its analogy of myth and the fairy tale She proposes that the detective story and the thriller have made an unacknowledged contribution to serious literature Her discussion of Dickens Conrad and Green indicate that each borrowed many important ingredients from the formulaic novel      Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03 This study explores how British identity has been explored and renegotiated by contemporary writers It starts by examining the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis informs different literary texts Having first analysed a series of novels that draw an implicit parallel between the end of the British Empire and the break up of the unitary British state the study explores how contemporary writing in Northern Ireland Scotland and Wales contributes to a sense of nationhood in those places and so contributes to the break up of Britain symbolically Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland Scotland and Wales It is also an imaginary process that can be found occurring on a number of other conceptual coordinates Feminism class regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain      **Graham Greene's Failure at Reconciliation** Patricia L. Anderson, 1975      **Graham Greene, Ireland and the Honorary Consul** Pierre Joannon, 2024 This is a personal memoir providing original information on Greene his sources of inspiration and his interest in Ireland North and South

**Conversations with Graham Greene** Graham Greene, 1992 This collection of seventeen interviews covers fifty years Here the eminent author of *The Power and the Glory* *The Third Man* and *The Heart of the Matter* speaks of himself his life and his works Though reluctant to be interviewed especially by an academic or journalist he did not know Greene was more at ease in an interview with a personal friend who he felt would be less likely to misunderstand or misquote him Yet even his good friend V S Pritchett spent considerable time trying to pin him down for his 1978 interview When he finally did arrange an interview Pritchett tells that Greene's flat conspiratorial laughing voice of itself makes him the best company I've known in the last forty years Other interviewers included here are V S Naipaul and Penelope Gilliatt shared Pritchett's opinion but many found that he avoided idle conversation for fear that his words would be misconstrued Greene's anxiety was not without foundation In an interview with Michael Menshaw Greene explained It's got so I hate to say who I am or what I

believe A few years ago I told an interviewer I m a gnostic The next day s newspaper announced that I had become an agnostic After such incidents Greene turned to the anecdote relating an experience with Fidel Castro or with Papa Doc Duvalier to communicate in interviews with strangers Nevertheless in all the interviews Greene granted over the years the reader hears very clearly the voice of a man whose conversation is as painfully honest and unpretentious as is his written prose The interviews here are divided chronologically into four periods loosely related to his subject matter or to his reputation at the time of the interview Thus the reader sees the development of the writer from a callow but gifted young man into one of the foremost men of letters in the English speaking world      **Routledge Revivals: God, Literature and Process Thought (2002)** Darren Middleton, 2018-02-01 Originally published in 2002 God Literature and Process Thought looks at the use of God in writing as a part of the creative advance immersed in the processes of reality and affected by events in the world This edited collection outlines and promotes the novel view that there is much to be gained when those who value the insights of process thought encounter the many and varied writers of literature and literary theory It also celebrates the notion of process poesis a fresh way of reflecting theologically and philosophically that takes account of literary forms and promises to transform creatively the very structure of process thought today      **National Union Catalog**, 1982 Includes entries for maps and atlases      **Guide to British Prose Fiction Explication** Lynn Beene, 1997      [El cónsul honorario](#) Graham Greene, 2004      *The Contemporary Novel* Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world      **The Listener** , 1973-07
