

Lesson Plan for “The House on Mango Street” - 1

Journal: (10 minutes)

- 5-7 sentences for paragraph practice
- Describe the perfect place to hang out with your friends. You could make this up, or it can be a real place, but also describe the time you would like to hang out in this place

Think about/Discussion (20 minutes):

- Setting/Plot

Read: (30 minutes)

- “The House on Mango Street” P. 701

10 Minute Break

After Reading: (15 minutes)

- I thought that if we did the plot worksheet it would help to enforce the ideas about setting/plot that we discussed earlier, but if this is too easy, or too much emphasis I selected some questions as well that they could do instead
- Work to complete the comprehension questions at the end of the reading, and then answer questions - 2, 5, and 8
 - How would you describe Esperanza's family?
 - Do you think she will be able to break free from Mango Street? Why or Why Not?
 - Compare to your own experiences

Creative Writing: (30 minutes)

- Poem describing your dream house

Discussion: (not sure if we will have time, but I thought the setting of their lives would be appropriate to talk about)

- What is unique about the city of Detroit?
- What is unique about your neighborhood?
- What are you proud of in your neighborhood?
- Do you want to live somewhere else?

Teaching About Dialect Variations and Language in Secondary English Classrooms Michelle D. Devereaux, 2014-10-17 Standardized tests demand Standard English but secondary students grades 6-12 come to school speaking a variety of dialects and languages thus creating a conflict between students language of nurture and the expectations of school The purpose of this text is twofold to explain and illustrate how language varieties function in the classroom and in students lives and to detail linguistically informed instructional strategies Through anecdotes from the classroom lesson plans and accessible narrative it introduces theory and clearly builds the bridge to daily classroom practices that respect students language varieties and use those varieties as strengths upon which secondary English teachers can build The book explains how to teach about language variations and ideologies in the classroom uses typically taught texts as models for exploring how power society and identity interact with language literature and students lives connects the Common Core State Standards to the concepts presented and offers strategies to teach the sense and structure of Standard English and other language variations so that all students may add Standard English to their linguistic toolboxes

The House on Mango Street - Literature Kit Gr. 7-8 Taryn McKenna, 2021-06-29 Experience the discrimination of race gender and class felt by one girl in this coming of age story The layout and variety of activities in this resource will keep students engaged and involved in the reading Use metaphors and figurative language to describe things that bring comfort much like Esperanza's thoughts on her mother's hair Describe Nenny's personality based on what's been revealed in previous chapters Put events surrounding Esperanza's poetry writing in the order as they occur in the chapter Explain why the author might choose specific spelling as a plot device Choose words that mean the same as the vocabulary word found in the reading Write your own persuasive argument similar to Esperanza's argument for eating at school Record the symbolism of shoes used throughout the novel by detailing their use on a flowchart Aligned to your State Standards and written to Bloom's Taxonomy our worksheets incorporate a variety of scaffolding strategies along with additional crossword word search comprehension quiz and answer key About the Novel The House on Mango Street follows Esperanza Cordero as she tells stories from her childhood living on Mango Street in a series of vignettes Esperanza is a young Latina girl living in a mostly Hispanic neighborhood in Chicago She is not happy with her home on Mango Street Her neighborhood is poor and the people that live within it are treated like second class citizens Esperanza experiences a lot of hardships growing up from discrimination against her race to men abusing their wives Esperanza witnesses all this in her neighborhood and vows to

make a better future for herself The House on Mango Street is a coming of age story that explores tough topics that force a young girl to grow up quickly Turning the Page Rachel Slaughter, 2021-03-05 There is a dearth of multicultural literature in schools since few schools offer a curriculum that promotes multicultural education However by the year 2050 ethnic minority children will make up the majority of the United States public school classrooms Multicultural literature is the building block of a multicultural education which reflects our nation's diversity and helps all students learn by providing help to bridge the cultural gap and promote racial awareness Teachers often find it difficult to identify or find quality multicultural literature that adheres to the standard curriculum Turning the Page The Ultimate Guide for Teachers to Multicultural Literature helps educators find and evaluate multicultural books that are suitable for the classroom and align with the standard curriculum The book includes a peer reviewed metric that shows teachers how to substitute biased books with multicultural literature that endorse the same themes Second the book includes reviews lesson plans and curated book lists of multicultural books Finally the book offers a stepwise plan on how to create a task force of school stakeholders who can implement a comprehensive multicultural program In 2018 The National Association for Multicultural Education released standards for multicultural education to encourage school staff to become culturally competent and linguistically diverse Turning the Page The Ultimate Guide for Teachers to Multicultural Literature moves educators in that direction

Teaching the Novel across the Curriculum Colin C. Irvine, 2007-11-30 Instructors at all levels are being encouraged to teach writing in their courses even in subjects other than English Because the novel reflects a broad set of human experiences and history it is the ideal vehicle for learning about a wide range of issues This book helps educators learn how to incorporate novels in courses in English the humanities social and behavioral sciences and professional studies The chapters focus on using the novel to explore ethical concerns multiculturalism history social theory psychology social work and education The book looks at major canonical works as well as graphic novels and popular literature Language arts are at the forefront of education these days Instructors at all levels are being encouraged to teach writing in their courses even if those courses cover subjects other than English Literature instructors have long used fiction to teach composition But because the novel reflects a broad range of human experiences and historical events it is the ideal medium for learning about contemporary social issues This book helps educators learn how to use the novel in courses in English the humanities social and behavioral sciences and professional studies The book is divided into broad sections on general education classes multiculturalism literature classes humanities courses classes in social behavioral and political sciences and professional studies such as social work and teacher training Each section includes chapters written by gifted teachers and provides a wealth of theoretical and practical information While the book examines major canonical works such as *Hard Times* *Billy Budd* and *Invisible Man* it also looks at graphic novels science fiction and popular contemporary works such as *Finishing School* and *Jarhead* Chapters reflect the personal successes of their authors and cite works for further reading **Beyond**

the Five Paragraph Essay Kimberly Campbell, Kristi Latimer, 2023-10-10 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay *Teaching Literature to Adolescents* Alan B. Howes, 1972

Bridging Theory and Practice in Teacher Education, 2007-01-01 This book addresses both the concerns of teacher candidates and their misconceptions about the relation of theory and practice in education The contributors to this volume share the belief that theories provide teachers with a frame of reference and a language with which to name and critically analyze many of the problems they face daily The significance of theory is in its ability to define the problems that teachers face clarify their confusions and suggest possible solutions to these problems Once educational theories are viewed as guides to thought and instruments of interpretation rather than as established facts it becomes clear that they cannot simply be plugged into a particular classroom Instead a theory must be applied in more nuanced and contextual ways taking into account the social historical context in which it was created as well as the various particulars of each classroom situation Experienced educators and scholars in the field have been recruited to write essays that speak to the relevance of different theories in philosophy psychology sociology English history science art technology and multiculturalism for the practice of teaching This book would appeal to teacher educators teacher candidates and teachers in general

Teaching the Canon in 21st Century Classrooms Michael Macaluso, Kati Macaluso, 2018-11-01 The canon as much an ideology as it is a body of texts perceived to be intrinsic to the high school English classroom has come under scrutiny for maintaining status quo narratives about whiteness masculinity heterosexuality ability and even those

associated with American ideals of self reliance the good life and the self made man Teaching practices around these texts may also reinforce harmful practices and ways of thinking including those connected to notions of culture literary merit and methods of reading teaching and learning Teaching the Canon in 21st Century Classrooms offers innovative critical ways of reading thinking about and teaching canonical texts in 21st century classrooms Responding to the increasingly pluralized digitized global 21st century English classroom chapter authors make explicit the ideologies of a canonical text of focus while also elaborating a pedagogical approach that de centers the canon bridges past and present applies critical theory and celebrates the rich identities of 21st century readers In using this book teachers will be especially poised to take on the canon in their classroom and thus to open up their curricula to ideas values concerns and narratives beyond those embedded in the canonical texts
