The Hunt For Bin Laden:

The Hunt for Bin Laden Robin Moore, 2003 Describes the campaigns of American Green Berets in Afghanistan in the period following the September 11 terrorist attacks as they overcame Taliban and Al Qaeda forces and sent them fleeing

The Hunt for Bin Laden The Washington Post, 2012-08-10 The long and secret effort to track down Osama bin Laden has been called the biggest costliest manhunt in history From the Pulitzer Prize winning Washington Post this reconstruction compiled from reporting from more than two dozen Washington Post correspondents and staffers from over more than 15 years traces the hunt from its beginnings in 1997 during the Clinton administration THE HUNT FOR BIN LADEN is a behind the scenes narrative that reveals the fourteen year billion dollar effort that brought the hunt to a swift and conclusive end including The numerous times CIA agents had bin Laden in their crosshairs prior to 9 11 only to have missions canceled at the last moment Vivid details of bin Laden s behavior in the wake of the attacks on September 11th The myriad of ways he evaded detection in his years on the lam including his narrow escape from the caves and tunnels of Tora Bora How the war in Iraq drained resources and diverted the spotlight from the hunt turning the mission to kill or capture bin Laden into a back burner operation and political liability for the Bush administration It wasn t until the Iraq war began to wind down that the search gained its endgame momentum the Post shows reclassified as a highest priority again by a new president How increasingly punishing drone attacks interrogations of captured al Qaeda operatives and an ever expanding network of informants finally began to yield a trail that led to bin Laden s courier a cell phone interception and ultimately bin Laden

Manhunt Peter L. Bergen, 2012-05-01 The gripping account of the decade long hunt for the world s most wanted man It was only a week before 9 11 that Peter Bergen turned in the manuscript of Holy War Inc the story of Osama bin Laden whom Bergen had once interviewed in a mud hut in Afghanistan and his declaration of war on America The book became a New York Times bestseller and the essential portrait of the most formidable terrorist enterprise of our time Now in Manhunt Bergen picks up the thread with this taut yet panoramic account of the pursuit and killing of bin Laden Here are riveting new

details of bin Laden's flight after the crushing defeat of the Taliban to Tora Bora where American forces came startlingly close to capturing him and of the fugitive leader's attempts to find a secure hiding place. As the only journalist to gain access to bin Laden's Abbottabad compound before the Pakistani government demolished it, Bergen paints a vivid picture of bin Laden's grim Spartan life in hiding and his struggle to maintain control of al Qaeda even as American drones systematically picked off his key lieutenants. Half a world away, CIA analysts haunted by the intelligence failures that led to 9/11 and the WMD fiasco pored over the tiniest of clues before homing in on the man they called the Kuwaiti, who led them to a peculiar building with twelve foot high walls and security cameras less than a mile from a Pakistani military academy. This was the courier who would unwittingly steer them to bin Laden, now a prisoner of his own making but still plotting to devastate the United States. Bergen takes us inside the Situation Room where President Obama considers the COAs, courses of action presented by his war council and receives conflicting advice from his top advisors before deciding to risk the raid that would change history. And then inside the Joint Special Operations Command whose secret warriors the SEALs would execute Operation Neptune Spear. From the moment two Black Hawks take off from Afghanistan until bin Laden utters his last words, Manhunt reads like a thriller. Based on exhaustive research and unprecedented access to White House officials, CIA analysts, Pakistani intelligence and the military, this is the definitive account of ten years in pursuit of bin Laden and of the twilight of al Qaeda.

Countdown bin Laden Chris Wallace, 2021-09-07 1 NATIONAL BESTSELLER INSTANT NEW YORK TIMES BESTSELLER Following Chris Wallace's riveting The New York Times and propulsive Time first book Countdown 1945 comes a deeply reported, revelatory and thrillingly told account of the final months of the hunt for Osama bin Laden. On August 27, 2010, three CIA officers ask for a private meeting with CIA Director Leon Panetta. During that secret session, they tell Panetta that agents have tracked a courier with deep Al Qaeda ties to a three-story house at the end of a dead-end street in Abbottabad, Pakistan. But they say it's more than a house; it's a heavily protected fortress. No one in the meeting says the name bin Laden. They don't have to. Everyone understands that finally, after nearly a decade, maybe just maybe, they've found the world's most wanted man. In Countdown bin Laden, celebrated journalist and CNN anchor and Max host Chris Wallace delivers a vivid account of the final eight months of intelligence gathering, national security strategizing and meticulous military planning that leads to the climactic mission when SEAL Team Six closes in on its target. The book delivers new information collected from Wallace's in-depth interviews with more than a dozen central figures, including Admiral William H. McRaven, leader of the operation in Pakistan, as well as CIA Director Panetta, Secretary of State Hillary Rodham Clinton, Defense Secretary Robert Gates, National Security Advisor Tom Donilon, and the SEAL Team Six special operator who kills Osama bin Laden. Wallace also brings to life the human elements of this story, talking to families who lost loved ones on 9/11, sharing what relatives of SEAL Team Six went through, and bringing us inside the tense Situation Room during the raid. Countdown bin Laden is a historical thriller filled with intrigue, cinematic action, and fresh reporting about the race to
