Jackie C Horne argues that this shift can be better understood by looking to the discipline of history Eighteenth century
humanism believed the purpose of history was to teach private and public virtue by creating idealized readers to emulate
Eighteenth century children s literature with its impossibly perfect protagonists and its equally imperfect villains echoes
history s exemplar goals Exemplar history however came under increasing pressure during the period and the resulting
changes in historiographical practice an increased need for reader engagement and the widening of history s purview to
include the morals manners and material lives of everyday people find their mirror in changes in fiction for children Horne
situates hitherto neglected Robinsonades historical novels and fictionalized histories within the cultural social and political
contexts of the period to trace the ways in which idealized characters gradually gave way to protagonists who fostered
readers sympathetic engagement Horne s study will be of interest to specialists in children s literature the history of
