

MEET THE

Hello and WELCOME BACK!! I hope that you and your family had a relaxing summer vacation. My name is Jordon Beasley, and I am thrilled to be the new full-time counselor at Maudlin Elementary! I will be working alongside Mrs. Genoble, the returning part-time school counselor this year. This is going to be a fun year filled with learning, growing, and lots of new adventures. I cannot wait to get to know you, your family, and most importantly your child!

First, I wanted to take a moment to tell you a few things about me. I am originally from Anderson, SC. I attended the College of Charleston where graduated in 2010 with my Bachelor's Degree. Recently, I graduated from Clemson University in May where I obtained my Master's in Education and an Education Specialist degree in School Counseling. I have been married to my husband, Aaron, for 1 whole year. We live in Greenville. Together, we have two amazing dogs, Lucy (5) white Labrador retriever and Maddox (5) a very stout Springer Spaniel.

This will be my first year as a School Counselor, and I consider myself to be so lucky to have the opportunity to pursue my passion, elementary school counseling. I am so excited to get the year started. My hope is that this school year will be full of fun and successful experiences for all students. I have attached a brochure detailing all of the wonderful ways that Mrs. Genoble and I can assist you and your child with throughout the year. Please review the information attached, and feel free to contact us with any questions that you may have about the program or if there is anything we can do to assist you and your child!

Welcome Letter From Elementary Counselor:

Hatching Results for Elementary School Counseling Trish Hatch, Danielle Duarte, Lisa K. De Gregorio, 2018-01-17 School counseling that makes a difference for all students As an elementary school counselor you re implementing a comprehensive program to promote academic and social emotional development for all students You re planting seeds of college and career readiness which means creating core curriculum classroom lessons delivering engaging content to students and parents managing classroom behaviors providing assessments and sharing the results The good news is that you don t have to do it alone In this guide three experienced school counselors take you step by step through the creation and implementation of high quality Tier 1 systems of universal supports With a focus on proactive and prevention education through core curriculum classroom lessons and schoolwide activities this practical text includes The school counselor s role in Multi tiered Multi Domain System of Supports Examples to help with design implementation and evaluation Guidance for selecting curriculum and developing lesson and action plans Alignment with ASCA National Model and ASCA Mindsets and Behaviors Vignettes from practicing elementary school counselors Recommendations for including families in prevention activities Management tools reproducible templates and reflective activities and processing questions You teach the academic college and career and social emotional competencies students need to be successful learners With this book s expert guidance you re prepared to help them get there This book accomplishes what so many school counseling graduates are often left to learn on the job translation of theory and ideas into meaningful evidence based practice within a multi tiered system of supports Paul C Harris Assistant Professor Counselor Education University of Virginia This is the book all elementary school counselors have been waiting for Not only can it deepen our skills as educators and collaborators it also provides a sounding board for effective school counseling practices that are standards based measurable and focused on closing the achievement gap Kirsten Perry ASCA 2018 School Counselor of the Year Lawndale Community Academy Chicago IL

Animal-Assisted School Counseling Elizabeth Kjellstrand Hartwig, 2024-06-19 Animal Assisted School Counseling AASC is a hands on resource that provides invaluable information for school counselors interested in partnering with a therapy animal on campus to help students meet social and emotional goals This book presents a wealth of resources for school counselors and school based mental health practitioners to incorporate animal partners on school campuses with individual students and groups and in classroom and schoolwide settings Using the American School Counselor Association ASCA National Model framework this book presents AASC interventions that can be implemented as part of the multitiered system of support to address students mental health needs The text also meets the important demand for accountability in school counseling by providing resources for assessing the effectiveness of AASC interventions for meeting student and school outcome goals Addressing such issues as getting school district buy in choosing an animal partner preparing the school for an animal partner theoretical applications of AASC and student affirming AASC services the book is organized such that each

chapter builds upon the next so school counselors understand what steps to take to become an effective AASC team Ideal for the school counselor social worker or psychologist who may not have specific training in AASC this book will encourage school mental health practitioners to seek out training programs to become an AASC team Hatching Results for Secondary School Counseling Trish Hatch, Whitney Triplett, Danielle Duarte, Vanessa Gomez, 2019-04-25 School counseling that makes a difference for all students As an secondary school counselor you re implementing a comprehensive program for all students This hands on guide takes you step by step through the creation and implementation of high quality Tier 1 system of supports with a focus on prevention education through core curriculum classroom lessons and schoolwide activities Features include The school counselor s role in Multi Tier Multi Domain System of Supports Specific examples to help with design implementation and evaluation Guidance for selecting curriculum and developing lesson plans and action plans Alignment with ASCA National Model and ASCA Mindsets and Behaviors Numerous charts graphs and images to demonstrate concepts **21st Century Education: A Reference Handbook** Thomas L Good, 2008-10-01 21st Century Education A Reference Handbook offers 100 chapters written by leading experts in the field that highlight the most important topics issues questions and debates facing educators today This comprehensive and authoritative two volume work provides undergraduate education majors with insight into the rich array of issues inherent in education issues informing debates that involve all Americans Key Features Provides undergraduate majors with an authoritative reference source ideal for their classroom research needs preparation for GREs and research into directions to take in pursuing a graduate degree or career Offers more detailed information than encyclopedia entries but not as much jargon detail or density as journal articles or research handbook chapters Explores educational policy and reform teacher education and certification educational administration curriculum and instruction Offers a reader friendly common format Theory Methods Applications Comparison Future Directions Summary References and Further Readings 21st Century Education A Reference Handbook is designed to prepare teachers professors and administrators for their future careers informing the debates and preparing them to address the questions and meet the challenges of education today 124 High-Impact Letters for Busy Principals Marilyn L. Grady, 2000-08-16 The letters that can make a difference in the principalship often are the letters that principals have no time to prepare Often must write negative letters consume the principal s letter writing energies This collection of letters is primarily focused on the letters that principals have no time to prepare Clearly principals know how to write letters They simply have incredible time constraints The letters in this manual are not a substitute for the personalized letters that principals will craft This collection is merely a starter kit The timesaving templates are easy to personalize and customize with the CD that provides a powerful and effective tool ready at the click of the computer mouse On the Move Paula Sachs Wise, Yaffa F. Miller, Jane W. Cherry, 1991 This monograph focuses on children who must move to a new school and new surroundings because their family for whatever reason is relocating It notes that the impact of mobility on families has

practical implications for public schools and that schools with a large number of mobile students have a responsibility to establish structured programs to assist these students Section I of the monograph examines factors affecting the impact of a move including reasons for the move divorce military orders corporate transfers migrant family seasonal work family social status the child s intellectual abilities the age of the child the quality of the parent child relationship and the frequency of moves Section II look at the stress involved in moving and the possibility of depression associated with a move The physical emotional and behavioral manifestations of stress are listed Section III gives suggestions for what parents can do to ease the stress of moving for their children Section IV looks at what schools can do to help children who are new to the school and to help children who are leaving the school Section V provides a review of programs for relocating students that have been implemented in schools The monograph concludes with a brief summary followed by a list of 57 references Activities for students resources and sample forms are appended NB
