6. What are two benefits depository institutions can provide? (2 points)
They can provide you with a debit card which allows you to pay at places without having to carry cash. They also allow you to use atm's to access you cash and keep track of your cash online or on your phone.

7. What would be the three most important factors that you would consider when deciding which depository institution fits your needs? Explain. (3 points)

You must look at convince of location. If you travel to certain areas such as me being in Michigan commonly and I have to open a second account at Huntington bank. You must need to look at fees and decide whether they are reasonable such as security and account fees. Lastly, you need to research how safe a bank is and how much there interest they give you is.

8. What are two ways depository institutions keep your money safe? (2 points)
They require a pin if you are using a card, login in on mobile and online, or your personal checks. They also have insurance which kicks in for robberies or other issues that may occur.

The U.S. Payment System: Efficiency, Risk and the Role of the Federal Reserve David B. Humphrey,1989-11-30 The U S payment system is in the midst of a significant transition Some of the changes to our payment system involving its efficiency

the risks inherent in the payment process and the role of the private and public sectors in the payment mechanism are the subject of considerable debate and controversy In recent years the Federal Reserve Bank of Richmond has played an active part in the development and implementation of policies to improve the payment process The Bank s operations staff has represented the Federal Reserve System in work with the banking industry to help shape and implement programs to increase efficiency and reduce payment risk Further our Research Department has made payment system research an important part of its agenda The mix of practical experience and research has resulted in a unique perspective on payment system issues that led us to organize a symposium on the U S payment system held on May 25 26 1988 in Williamsburg Virginia Reflecting our belief in the importance of combining both practical experience and theory in addressing payment issues we invited practitioners scholars and policymakers to share their ideas The symposium provided an opportunity for those researchers who are studying payment issues to present their ideas and to have these ideas evaluated by experienced practitioners
