SSHRC application budget

Sshrc Grant Holders Guide

Wolfgang Guggemos

Sshrc Grant Holders Guide:

Unthinkable Thoughts Susan G. Drummond, 2013-11-01 In 2009 an international conference exploring models of statehood for Israel and Palestine was held at Toronto's York University. The conference became a cause célèbre in Canada and Israel when extraordinary pressures were exerted on the conference organizers, their academic departments and university administrators by pro-Israel lobby groups, private university donors, members of the academic community and even the federal government. Although the conference itself was uneventful, the lead-up roiled Canadian academia and society, provoking a controversy that raised major issues regarding academic freedom. *Unthinkable Thoughts* covers the history of the events from the perspective of Susan Drummond, one of the conference organizers. First, she methodically examines the idea of constitutional binationalism in Israel/Palestine and explores why it is such a fraught, contentious notion. Drawing from copious documentation, including confidential communications accessed under Freedom of Information legislation, she then lays out the behind-the-scenes minutiae of statements made and decisions taken before and after the conference took place. This book serves as a cautionary tale of the ease with which matters of fundamental principle can become compromised in the face of intense social and political pressure.

No Debate Jon Thompson, 2012-06-28 During 2008-2009, Israel lobby organizations made concerted efforts to block a planned conference on statehood for Israel and Palestine at Toronto's York University. This book is a report of an independent investigation by author Jon Thompson for the Canadian Association of University Teachers, an organization that has been active in the defence of free speech and academic freedoms, which have been challenged on Canadian campuses. Controversy began at York soon after the Israel/Palestine conference was advertised and intensified over the following months. The event was repeatedly denounced and university administrators were deluged by irate e-mails and phone calls. York, as the host university, was warned of boycotts and the cessation of donations and was denounced in full-page newspaper ads. When York and its co-sponsors stood their ground, the Israel lobby persuaded the Harper government to contact SSHRC, an academic funding agency also involved with the event. In response, SSHRC made an unprecedented intervention. The Canadian Association of University Teachers then made a public issue of the government's interference, and in the end, the conference was held as planned. This book establishes the facts of the case, provides a context for understanding it, and explores the meaning of academic freedom in Canada. Author Jon Thompson proposes measures which universities and university faculty members can take to better safeguard their ability to discuss and debate ideas which some may wish to silence.

Kant and the Scottish Enlightenment Elizabeth Robinson,Chris W. Surprenant,2017-06-26 Most academic philosophers and intellectual historians are familiar with the major historical figures and intellectual movements coming out of Scotland in the 18th Century These scholars are also familiar with the works of Immanuel Kant and his influence on Western thought But with the exception of discussion examining David Hume s influence on Kant s epistemology metaphysics and moral theory little attention has been paid to the influence of the Scottish Enlightenment thinkers on Kant s philosophy This volume aims to fill this perceived gap in the literature and provide a starting point for future discussions looking at the influence of Hume Thomas Reid Adam Smith and other Scottish Enlightenment thinkers on Kant s philosophy

Eligibility of Expenses Natural Sciences and Engineering Research Council of Canada,Social Sciences and Humanities Research Council of Canada,Canadian Institutes of Health Research,2001 The information contained in this document supersedes parts of the NSERC Researcher s Guide SSHRC Grant Holder s Guide and CIHR Grants and Awards Guides Specifically it addresses the literature pertaining to eligible and non eligible expenses
