Business Ethics Denis Collins, Patricia Kanashiro, 2022-01-21 Business Ethics teaches students how to create organizations of high integrity and superior performance The authors walk readers through designing ethical organizations using an Ethical Systems Model that outlines best practices for hiring training making ethical decisions and fostering trust Focus On: 100 Most Popular Sedans Wikipedia contributors, **Focus On: 100 Most Popular Station Wagons** Wikipedia contributors, Ecopiety Sarah McFarland Taylor, 2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It's time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in Fifty Shades of Grey to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in True Blood the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action

Deviant Behavior Erich Goode, 2016-06-10 Deviant Behavior provides a comprehensive study of the behavior beliefs conditions and reactions to deviance giving students a better understanding of this phenomenon Deviance is discussed from the sociological perspectives of positivism and constructionism Readers will grasp the reason behind deviant behavior through the positivist perspective and why certain actions beliefs and physical characteristics are condemned through the constructionist perspective New to this edition Two chapters on crime make clearer distinctions between criminalization of behavior vs criminal behavior itself More discussion of the relativity of deviance including how murder is socially and legally constructed Expands the notion that conspiracy theory is a form of cognitive deviance New discussion furthers the difference between labeling theory and constructionism New Section on environmental pollution with reference to green criminology New section added on Deviance and Harm Newsworthy new features include A Formerly Homeless Man Speaks Out Victimization and Abuse Mass Incarceration Stop and Frisk Missing

Black Men with implications for families and demography Arrest Incarceration Gap Disparities in Sentencing The End of the Crime Decline The Brother of a Murder Victim Speaks Out A Tattoo Collector Gets Inked Faculty Student Sex Reflections on Studying BDSM Corporate Fraud Across the Globe Larry Li,Adela McMurray,2022-08-20 Based on theoretical

foundations and evidence based case studies this book identifies the fundamental motivations underpinning corporate fraud in both developing and developed countries The book offers practical solutions in terms of monitoring and potentially preventing future corporate fraud activity It is expected that uncovered corporate fraud negatively affects the public reputation and financial performance of fraudulent firms However what is of more importance for fraudulent firms is how to regain the trust of customers investors and other stakeholders as this impacts the long term sustainability of businesses Operational strategies including reform provide an effective channel for a fraudulent firm s business sustainability yet this notion remains unexplored in the literature This authored research book argues that the choice of appropriate operational strategies is critical as they serve as an effective channel for fraudulent firms to re gain the trust from customers and markets re establish their reputation and enhance the firm s long term value The authors posit that there is no one size fits all approach because the choice of effective operational strategies is needed to acknowledge the significance of context such as industry type economic conditions legal frameworks as well as the firm s fraudulent characteristics Focus On: 100
