The previous edition of this book was titled HiSET Exam Third Edition.

Economics, Business, and Islamic Finance in ASEAN Economic Community Ordoñez de Pablos, Patricia, Almunawar, Mohammad Nabil, Abduh, Muhamad, 2020-01-03 The economic integration of Southeast Asia or ASEAN Economic Community AEC offers enormous opportunities for its members to develop and collectively collaborate with other economies. Combining the culture of the region with global business in an expanding digital atmosphere however has caused numerous challenges on an international scale. Due to the importance of this economic player in Asia research on key topics including Islamic economics, Islamic finance, technology and cultural issues in doing business are essential to understand the ASEAN competitive landscape and its relations with other countries. Economics, Business and Islamic Finance in ASEAN Economic Community is a pivotal reference source that explores key issues and enhances understanding of business and economics in the ASEAN community and explores the collaboration between this community and Islamic finance and technology. While highlighting topics such as global business, smart manufacturing and human resource management this publication explores sustainable development practices as well as the methods of cultural appreciation in economics. This book is ideally designed for deans, heads of department, directors, politicians, policymakers, economists, corporate heads, senior general managers, managing directors, information technology directors and managers, libraries, academicians, researchers and students.
