Moir, 2022-04-01 In a 1965 letter to Newsweek French writer and academic Bernard Fall 1926-67 staked a claim as the Number One Realist on the Vietnam War This is the first book to study the thought of this overlooked figure one of the most important experts on counterinsurgency warfare in Indochina Nathaniel L Moir's intellectual history analyses Fall's formative experiences his service in the French underground and army during the Second World War his father's execution by the Germans and his mother's murder in Auschwitz and his work as a research analyst at the Nuremberg Trials Moir demonstrates how these critical events shaped Fall's trenchant analysis of Viet Minh led revolutionary warfare during the French Indochina War and the early Vietnam War In the years before conventional American intervention in 1965 Fall argued that far more than anything in the United States military arsenal resolving conflict in Vietnam would require political strength willpower integrity and skill Number One Realist illuminates Fall's study of political reconciliation in Indochina while showing how his profound humanitarian critique of war continues to echo in the endless conflicts of the present It will challenge and change the way we think about the Vietnam War

personnel We are hardly conventional troops though they call us that back home for political as well as social reasons but we use much the same tactics as do the VC short of torture killing of innocents etc although there are scattered incidents of these as in any war But we hide in the field search and destroy sweep ambush etc generally being miserable wet hungry cold hot and wishing we were home Excerpt from Letter to Mom Sis I received my tentative orders and I m scheduled to go overseas Nov 21 so it looks like I m not going to get a chance to see you before I go There isn t real need for love explains and shows all and it is enough to carry me across those waters I love you both and I know that I am loved so I m content until I return next fall Excerpt from Journal Entry Relatives and family worry They worry about me and I worry about them worrying about me Winds flowing every way and I m coming back worry is ungood and bothers Forget and live life as I m doing on my part with death possibly just around over there Part of a poem written after six months in country What brings me here What leads my path To find this dreary horror Singing a muddy melody of Blood and lost friends Perhaps a quiet somebody will Come leading me by the hand To sit and explain those things And all things and and Excerpt from a Remembrance I could feel the bullets whizzing around my head like angry hornets and then there was a loud clap next to my face with the sonic slap of a bullet that just missed me I crouched down unable to see where it came from cursing and angry then got up and moved forward Eventually the firing stopped No one was hurt and that bullet didn t have my name on it Still left me shaking About the Author The author served a 2 year enlistment and was honorably discharged as a Lance Corporal with two Purple Hearts He was profoundly affected by the war both physically and mentally and it drastically changed the way he looks at life In 1997 he was diagnosed with Non Hodgkin s Lymphoma caused by his exposure to Agent Orange the chemical herbicide and defoliant made by Monsanto that U S forces sprayed extensively in order to kill vegetation in the Vietnamese jungle and expose Viet Cong hideouts His Epilogue credits Monsanto for ruining his life and the lives of so many others following the war The Sandbox E.M. Satterley,2015-04-15 The Sandbox is about a young U S Army soldier Tim Sadler who is in a non combative position however his immediate experiences convince him that it is not a safe place to be and his subsequent experiences drive him to make unhealthy personal choices that cause havoc to himself his family and to his fiance back in New York Look for more of Tim Sadlers adventures in an upcoming sequel *On Full Automatic* William V Taylor, Jr,2021-07-09 Vietnam 1967 68 Eighteen year old Marine recruit William V Taylor Jr and his brother Marines are assembled into a new reactionary force that is immediately tested in the fire of a bloody conflict known as Operation Beaver Cage After a traumatic first fight they push through back to back operations with little time to rest or reflect Those who survive will return home ensnared by everlasting memories of a real but entirely surreal nightmare Now after more than fifty years of holding everything in Taylor shares his experience in explicit and often horrific detail and with a reverent honor for those Marines who did not live to tell the tale Taylor reveals what it truly means to walk the path of a warrior to sacrifice and to live a lifetime with the memories of a war seeking answers to the question Was it worth it **Shot at & Missed** Neal E.

Morgan,2017-06-15 This is the story of my short military service including my perspective of the Vietnam War from the start and it follows America s descent into chaos until the final days in 1975 I was drafted several times and eventually was inducted into the Army on April 20 1967 and then was sent to Fort Knox Kentucky for Basic Training Afterwards I was assigned to Fort Leonard Wood Missouri for Combat Engineering Training where I headed a squad of 16 people In October I was sent to Vietnam as a Combat Engineer but through fortuitous circumstances I became a Finance Specialist with the 1st Infantry Division better known as the Big Red One I witnessed the treacherous deceit of the 1968 Tet Offensive and the escalation of hostilities that followed from a bunker on our basecamp s perimeter I honestly do know how it feels to be shot at and missed but in fact I only felt the real impact of the war whenever I had to close a file for someone killed in action When I was in Vietnam the world was a completely different place We still have many of the same social challenges but the economic technical scientific and medical advances have all been amazing Unfortunately in too many ways nothing has changed Our planet is still at war inhumanity is all too frequently the headline and religious exploitation and racial strife shackle any hope for world peace Perhaps this book in some small way will help us avoid the mistakes of the past My term of duty ended on November 21 1968 and I returned physically unscathed but somewhat morally affected I am very proud of my service and the fact that I chose to serve my country during perilous times I have offered my insights with high hopes for our country and to honor all those who have served in the military and given so much of themselves to help preserve our nation s freedoms and defend the rights we hold so dear It took almost five decades half a century for me to reflect and then write this book but I seriously doubt I could have completed it any sooner God bless America Neal Morgan **If I Die in a Combat Zone** Tim O'Brien,1973 For use in schools and libraries only A candid view of the American military establishment and the Vietnam conflict as witnessed by a foot soldier in the late sixties **Through the Valley** William Reeder Jr.,2016 Through the Valley is the captivating memoir of the last U S Army soldier taken prisoner during the Vietnam War A narrative of courage hope and survival Through the Valley is more than just a war story It also portrays the thrill and horror of combat the fear and anxiety of captivity and the stories of friendships forged and friends lost In 1971 William Reeder was a senior captain on his second tour in Vietnam He had flown armed fixed wing OV 1 Mohawks on secret missions deep into enemy territory in Laos Cambodia and North Vietnam on his first tour He returned as a helicopter pilot eager to experience a whole new perspective as a Cobra gunship pilot Believing that Nixon s Vietnamization would soon end the war Reeder was anxious to see combat action To him it appeared that the Americans had prevailed beaten the Viet Cong and were passing everything over to the South Vietnamese Army so that Americans could leave Less than a year later while providing support to forces at the besieged base of Ben Het Reeder s chopper went down in a flaming corkscrew Though Reeder survived the crash he was captured after evading the enemy for three days He was held for weeks in jungle cages before enduring a grueling forced march on the Ho Chi Minh Trail costing the lives of seven of his group of twenty seven POWs Imprisoned in the notorious

prisons of Hanoi Reeder's tenacity in the face of unimaginable hardship is not only a captivating story but serves as an inspiration to all. In *Through the Valley* William Reeder shares the torment and pain of his ordeal but does so in the light of the hope that he never lost. His memoir reinforces the themes of courage and sacrifice, undying faith, strength of family love, of country loyalty among comrades and a realization of how precious is the freedom all too often taken for granted. Sure to resonate with those serving in the armed forces who continue to face the demands of combat, *Through the Valley* will also appeal especially to readers looking for a powerful riveting story.

IDENTITY OF A MAN WHO LOST HIS FATHERLAND AND VIETNAM WAR TRN TRNG. VIEN MAN, 2025

Last Man Out James E. Parker, 1997-03. *Last Man Out* is the remarkable story of Jim Parker, a former CIA agent and the last man to leave Vietnam. The author explains how the agency worked behind the scenes to assist the military in the war. *Last Man Out* also explores the anti-war movement back home and its effect on how the war was conducted. Parker makes the point that the price paid in Vietnam ultimately caused the collapse of the Soviet Union, rid the country of Lyndon Johnson, and enabled the U.S. to gain a foothold in China.

Soldier on Tran B. Quan, 2021. The story of a South Vietnamese officer who smuggles his family out of the country toward the end of the Vietnam War as told by his daughter. Forty years after the departure, the officer reconnects with a respected general, Tran Ba Di, during a family road trip to Key West, Florida.

If I Die in a Combat Zone Tim O'Brien, 2006. Hailed as one of the finest books to emerge from the Vietnam War, *If I Die in a Combat Zone* is a fascinating insight into the lives of the soldiers caught in the conflict. First published in 1973, this intensely personal novel about one foot soldier's tour of duty in Vietnam established Tim O'Brien's reputation as the outstanding chronicler of the Vietnam experience for a generation of Americans. From basic training to the front line and back again, he takes the reader on an unforgettable journey walking the minefields of My Lai, fighting the heat and the snipers in an alien land, crawling into the ghostly tunnels as he explores the ambiguities of manhood and morality in a war no one believes in.
