 Rivers, Charles Nicol, 2014-09-10 In his autobiography Speak Memory Vladimir Nabokov compared his life to a spiral in which
 twirl follows twirl and every synthesis is the thesis of the next series The first four arcs of the spiral of Nabokov s life his
 youth in Russia voluntary exile in Europe two decades spent in the United States and the final years of his life in Switzerland
 are now followed by a fifth arc his continuing life in literary history which this volume both explores and symbolizes This is
 the first collection of essays to examine all five arcs of Nabokov s creative life through close analyses of representative works
 The essays cast new light on works both famous and neglected and place these works against the backgrounds of Nabokov s
 career as a whole and modern literature in general Nabokov analyzes his own artistry in his Postscript to the Russian Edition
 of *Lolita* presented here in its first English translation and in his little known *Notes to Ada* by Vivian Darkbloom published
 now for the first time in America and keyed to the standard U S editions of the novel In addition to a defense of his father s
 work by Dmitri Nabokov and a portrait interview by Alfred Appel Jr the volume presents a vast spectrum of critical analyses
 covering all Nabokov s major novels and several important short stories The highly original structure of the book and the
 fresh and often startling revelations of the essays dramatize as never before the unity and richness of Nabokov s unique
 literary achievement *Cultural Transfer Through Translation* Stefanie Stockhorst, 2010 Studies at least as much as to

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
