Winning The Battle Within :

Winning the Battle Within Roslynn Bryant, 2010-06-29 Winning the Battle Within is an account of the internal struggles the author has faced in life and the victory she has gained through the power of Jesus Christ. It gives insights to prevalent inner conflicts and offers hope for deliverance. The author's transparency allows the readers to identify with issues such as self-esteem, sexual abuse, emotional pain, mental illness, and such. Thus the author provides a voice to the internal cry of hurting individuals. Finally, this book gives words of wisdom and guidance that enable its readers to gain victory in their lives. Roslynn Bryant is an ordained elder in the Higher Ground Always Abounding Assemblies Inc. She has been in ministry since 1996 and has touched many lives through her preaching and evangelistic work. She serves locally at the Assembly of Truth Family Worship Center as an associate minister, adjutant, and financial officer. In 1998, she graduated with highest honors from Clark Atlanta University with a Masters degree in mathematics. She is presently a mathematics professor at a career college in Atlanta, Georgia, where she recently received the faculty excellence award. **Winning the Battle Within**

Neil T. Anderson, 2008-07-01 For too many believers, God's wonderful creation of sex has become a source of spiritual slavery rather than a liberating blessing. Neil T. Anderson presents a clarifying, refreshing look at God's plan for sex and how Christians can release a distorted view of physical intimacy and embrace a pure, godly view of this gift. With biblical advice and compassion, Anderson points to the way out of confusion and shame by exposing the guilt, anger, and fear involved in sexual struggles, showing how believing the truth breaks the sexual and emotional lies, giving practical steps to overcome spiritual entrapment with God's Word. As Christians grasp what the Bible says about who they really are, God's loved children and new creations in His Son, they will be able to enjoy and value His marvelous design for their emotions and bodies. Anthony T. Pelt, 2020-01-02 Strongholds Walls Giants Are you ready to do battle If the Christian life is supposed to be filled with peace and joy why do you have to fight so much It turns out that your real enemy isn't a person you know or even the culture around you but the spiritual realm of darkness where the enemy craftily works to erect strongholds in your mind and send giants of temptation against your heart Bishop Anthony Pelt is the founding senior pastor of Radiant Living Worship Center in Deerfield Beach Florida He is a firm believer in and passionate advocate for the power and promise of Christian education and biblical teaching to uplift hearts and better lives Bishop Pelt has spoken across the nation as well as internationally and he is the author of The Power of One Pursuing Unity and Purpose in the Body of Christ In this book Bishop Pelt will teach you how to take the fight to your spiritual adversary Differentiate between a stronghold and a conviction in your thinking Discern the lies of Satan and replace them with a right view of God and His truth Know and use the spiritual weapons and armor God has given you for your protection Recognize past hurts and present doubts that can build walls in your heart Identify and defeat the giants in your life before they destroy you Plus at the end of each chapter application focused questions and a concrete action step will guide you in personalizing and retaining the truths you have learned The idea of spiritual warfare can seem intimidating and overwhelming as if it were something that the average Christian is not expected or prepared to face But God has a battle plan for each of us Take the initiative in the war for your heart mind and life Begin reading Fighting the Battles Within today and discover how every believer has been given all that is necessary for victory
