Dante Santoro is out to redeem the sins of his father and won't stop until he's settled the score and made up for lost time. Destiny King has built a new life for herself from the ruins of pain and tragedy. There are things that can never be forgotten, betrayals that will never be forgiven. But sometimes the horrors of the past can be erased through a night of magic, happenstance, and second chances. Hacking for Love by Zee Monodee Aloof and reserved business magnate Enzo Caparelli settles for a quiet night in on this New Year's Eve as does scarred and cancer recovering medical doctor Viveka Vivi Sari at The Cape Enzo's hotel in Central Manhattan. Neither had counted on the younger Caparelli brother Fabrizio playing matchmaker and hacking into the hotel's security system to strand them in the penthouse suite that night. *Anthology of Dramas and Scripts for all Seasons and Reasons* Eulonda Dreher, 2022-08-05. *Anthology of Dramas and Scripts for all Seasons and Reasons* is a collection of dramas, skits, readings, and programs which can be used by churches, small groups, or individuals for seasonal presentations, general promotions, instructional guides, and programs or for reading enjoyment. A striking collection that shows the costs of fame and overcoming pain. The attempt of a student expelled from the university for wanting to make history by treating one of the most lethal mental illnesses with psychedelics, the first case of a detective that will take him to supernatural territory in a Japan where everyone hides their grief, the experiences that an actor suffered in his childhood after being thrown into an industry full of scandals and vices, the efforts that a teacher and photographer made to save the lives of four stray dogs, and an encounter with a mythological being that culminates in controversial revelations about the history of mankind make up this powerful but captivating compilation of stories. In his debut feature, David Cortes manages to transport us to different places and times around the world thanks to his fascinating narratives in diverse genres and complex and inspiring characters. With an understanding and dedication to well-structured stories with diverse voices, this compilation succeeds in showing us how life can go on despite a tragedy and the price that comes with success. While still emotional, the selected works also dare to touch on sensitive topics such as drugs, depression, abuse, cruelty, death, and religion, which may challenge the reader's perspectives and beliefs. This book includes the next titles: *Unpainting Schizophrenia*, *The Ishimura Cases*, *Nights of the Yokai*, *Interview to a Former Child Actor*, *Guests of a Foster Home*, *Confessions of a day with Lucifer*. **The Urban Fantasy Anthology** Peter S.
