Fink,1988 The time is right for bright aggressive newspaper managers to influence and prosper but bleak indeed for those newspapers whose managers lack the requisite knowledge Using case studies and examples from the business Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail The difference between success and failure he concludes is in long range planning and in daily operating methodology in simply the professionalism of management at all levels **The Gardeners' Chronicle and Agricultural Gazette** ,1850 *Gardeners' Chronicle and Agricultural Gazette* ,1869 *Athenaeum and Literary Chronicle* ,1853 **Books and Periodicals Online** ,1999 **The Commercial & Financial Chronicle and Hunt's Merchants' Magazine** ,1877 Gardeners' Chronicle ,1869 **The Commercial & Financial Chronicle ...** ,1913 *The Boston Globe Index* ,1999 **The Japan Chronicle** ,1912 Successful Strategies for Computerassisted Reporting Bruce Garrison,2013-10-18 Computers have changed the landscape of both gathering and disseminating information throughout the world As journalists move quickly toward the 21st century and perhaps a new era of electronic journalism they need resources to understand the newest and most successful computer based news reporting strategies This book is designed to show both professional journalists and students which of the newest personal computing tools are being used by the nation s leading news organizations and top individual journalists It describes how these resources are being used on a daily basis and for special projects The book assumes a minimal familiarity with computers but no advanced knowledge of computer operation *Railroad Gazette* ,1878 **Editor & Publisher** ,1914 The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1914 *France* ,1919 *Tolstoy's False Disciple* Alexandra Popoff,2014-11-15 On the snowy morning of February 8 1897 the Petersburg secret police were following Tolstoy s every move and he was always in the company of a man named Certkov At sixty nine Russia s most celebrated writer was being treated like a major criminal and had abandoned his literary pursuits and become a spiritual mystic angering the Orthodox church and earning both the adimation and ire of his countrymen Tolstoy was recognizable enough with his peasant garb and beard but who was the man who towered over Tolstoy twenty years younger with a cold impenetrable look on his face This man Chertkov was a relative to the Tsars and nephew to the chief of the secret police and represented the very things Tolstoy had renounced class privilege unlimited power and wealth and yet Chertkov fascinated and attracted Tolstoy He would become the writer s closest confidant reading even his diary and at the end of Tolstoy s life Chertkov had him in his complete control preventing him from even seeing his own wife on his deathbed **THE**
