Strengths Perspective In Social Work Practice The 4th Edition:

Strength Based Perspective in Working with Clients with Mental Illness Kam-Shing Yip, 2008 This book offers to serve as a guide for professionals in understanding and applying a strength based perspectives for Chinese clients with mental illness and to discuss the Chinese articulation of concepts and practice of these perspective within Chinese culture Ever since the emergence of a medical model in the explanation of mental illness the disease model or deficit problem orientation became the dominant paradigm in perceiving treating and rehabilitating persons with mental illness The terms mentally ill and mental patient serve as labels for both professionals family caregivers and members of community to describe the burden the needs of care and treatment for persons with mental illness These labels also justify the establishment and implementation of mental health services Under the influences of the disease model persons with mental illness are regarded as subjects for academic research patients for treatment clients for intervention and objects for stigmatisation and labelling **The**

Strengths Perspective in Social Work Practice Dennis Saleebey, 2006 The Strengths Perspective in Social Work Practice presents an unrivaled collection of essays that explain the strengths based philosophy demonstrate how it works and provide clear and practical tools for its application It presents a balanced approach to social work practice in contrast to a problems based approach that takes into account the strengths and assets of clients and their environments Highlights of the Fourth Edition Six New Chapters Shifting our Habits of Mind Learning to Practice from a Strengths Perspective Chapter 2 examines how social work practice was historically a more problem focused profession and the how the current shift towards strengths plays an important part in our work Solving Problems from a Strengths Perspective explores with relevant examples how a practitioner can take a perspective on problems that leads to strengths based and solution focused practices Strengths Based Case Management Enhancing Work with Persons with Substance Abuse Problems Chapter 8 explores the further extensions of and developments in this important and ground breaking work The Resilience of Families Chapter 11 examines those factors that promote family resilience and how they can be applied in practice Consciousness and Commitment Slave Narratives in Today's Movement to End Poverty Chapter 12 applies the lessons of the resistance movements of slaves in order to develop effective and strengths based strategies for ending poverty Honoring Philosophical Traditions The Strengths Model and the Social Environment Chapter 14 presents the strongest and clearest relationship between environmental resources and individual strengths in practicing from the strengths perspective Extensive revisions of existing chapters make this a fresh more up to date book that retains the passion and sensibilities of the previous editions but with innovative examples and revised more current bibliographies Don't Miss This Exciting Value Added Option Social Work Skills Demonstrated Beginning Direct Practice CD ROM with Student Manual Second Edition Linda K Cummins Barry University Judith A Sevel Illinois State University Laura Pedrick University of Wisconsin Milwaukee A practical guide to development of crucial social work skills including basic counseling and interviewing techniques in a CD ROM format with companion

student manual that allows students to work at their own pace Social Work Skills Demonstrated Beginning Direct Practice CD ROM with Student Manual is available at a discount when packaged with this text 0 205 47316 4 *Human Behavior Theory and Social Work Practice* Roberta R. Greene, 2017-07-28 Human Behavior Theory and Social Work Practice remains a foundation work for those interested in the practice and teaching of social work Roberta Greene covers theoretical areas and individual theorists including classical psychoanalytic thought Eriksonian theory Carl Rogers cognitive theory systems theory ecological perspectives social construction feminism and genetics She discusses the historical context its philosophical roots and major assumptions of each theory The general theme which distinguishes this volume is that the person in environment perspective has been a central influence in the formation of the profession's knowledge base as well as its approach to practice Greene provides perspective on how individuals and social systems interact This book examines how social workers can use theory to shape social work practice by increasing his or her understanding of and potential for enhancing human well being Greene covers the relationship between human behavior theory and professional social work practice She also explores the challenges and limitations of each theory and addresses the following issues how the theory serves as a framework for social work practice how the theory lends itself to an understanding of individual family group community or organizational behavior what the implications are of the theory for social work interventions or practice strategies and what role it proposes for the social worker as a change agent Throughout the profession's history social workers have turned to a number of theoretical approaches for the organizing concepts needed to define their practice base The aims of social work to improve societal conditions and to enhance social functioning of and between individuals families and groups are put into action across all fields of practice and realized through a variety of methods in a range of settings This third edition completely revised represents a fundamental contribution to the field and like its predecessors will be widely used as a basic text **Theoretical Perspectives for Direct Social Work Practice** Nick Coady, Peter Lehmann, 2016-05-15 This expanded third edition of a popular textbook provides a completely revised and updated overview of the theories models and therapies that inform direct social work practice The text is grounded in generalist social work principles and values and promotes a problem solving model of social work practice as a framework for the eclectic use of theory as well as for integrating the artistic reflective elements of practice It provides in depth coverage of select psychodynamic cognitive behavioral humanistic critical and postmodern theories The third edition features a new section on Critical Theories where a new chapter on Empowerment Theory is included with a completely revised chapter on Feminist Theory A new chapter on Strengths based Social Work has been added to the section on meta theories for social work practice Other new chapters include Emotion focused Therapy and Collaborative Therapy These revisions are based on suggestions from an extensive survey of professors New to the Third Edition A new section on Critical Theories New chapters on Strengths based Social Work Emotion focused Therapy Empowerment Theory and Collaborative Therapy Updated research on the debate about the importance of theory

technique versus common e g relationship factors and on the critique of the empirically supported treatment movement Key Features Grounds direct practice firmly in the principles and values of generalist social work Promotes a problem solving model of social work as a flexible structure for integrating the eclectic use of theory with the artistic reflective elements of practice Organizes direct practice theories into like groupings and provides an overview of the main characteristics of each grouping Provides in depth coverage of topics in a clear logical and consistent format Includes editors and contributors from the U S and Canada *The SAGE Handbook of Social Work* Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work Comprehensive Handbook of Social Work and Social Welfare, The Profession of Social Work, 2008-03-11 Comprehensive Handbook of Social Work and Social Welfare Volume 1 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare **The Routledge Handbook of Social Work Theory** Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care Understanding Diversity in Human Behavior and Development in the Social Environment Marquitta S.
