Identity Theft Silver Lake Publishing, 2004 Describes identity theft covering such topics as the mechanics of ID theft how law enforcement agencies battle identity theft and ways to prevent it from happening **Saving the Company** Jerome Want, Richard Teerlink, 2017-01-09 Maximize the change forces that inform company and industry strategy Readers should take heart leaders can significantly improve organizational health and success Publisher's Weekly Create a culture within your organization that can weather any storm In the age of radical change entire industries not just companies are failing to anticipate and adjust to rapidly changing competitive conditions Companies with a track record of sustained success have learned that adapting to and creating change are the most effective tools for ensuring the long term success of a business enterprise That ability is built on the platform of a high performing ethical business organization culture Few terms in the American business lexicon are more ignored and misunderstood than corporate culture The inability to build and maintain high performing organizations and leadership teams has ruined the careers of many senior business leaders forced countless lost jobs and careers as well as the loss of market share and shareholder value Unlike any other book *Saving the Company* demonstrates how a business enterprise's culture can become its strongest resource Learn how to better understand business culture as the critical tool for managing and creating change in an increasingly unpredictable world

Disconnected Debbie J. Goldman, 2024-08-20 Call center employees once blended skill and emotional intelligence to solve customer problems while the workplace itself encouraged camaraderie and job satisfaction Ten years after telecom industry deregulation management had isolated the largely female workforce in cubicles imposed quotas to sell products and installed surveillance systems that tracked every call and keystroke Debbie J Goldman explores how call center employees and their union fought for good humane jobs in the face of degraded working conditions and lowered wages As the workforce coalesced to resist the changes it demanded the Communications Workers of America CWA fight for safe and secure good paying jobs But trends in technology capitalism and corporate governance combined with the decline of unions narrowed the negotiating options for workers Goldman describes how the actions of workers management and policymakers shaped the social impact of the new digital technologies and gave new form to the telecommunications industry in a time of momentous change Perceptive and nuanced *Disconnected* tells an overlooked story of service workers in a time of change
