UNINTENDED CONSEQUENCES

A person in a dark jacket is walking away from the viewer into a brightly lit tunnel. The tunnel has large concrete pillars and a high ceiling. The floor is dark and appears to be covered in leaves or debris.

Unintended Consequences Marti Green:

Unintended Consequences Marti Green, 2012-10-01 Nineteen years ago Indiana police arrested George Calhoun for murdering his daughter. Now his appeals have been exhausted and his execution is just a few weeks away. Calhoun said the body isn't his daughter but that's all he's ever said. If the girl isn't Angelina then who is it? And what happened to the Calhouns' missing daughter? *First Offense* Marti Green, 2016 Twelve year old Frankie Bishop is a model kid, quiet and bright. So everyone, especially his family, is shocked when he's arrested for drug possession and horrified when he's sentenced to juvenile detention at Eldridge Academy. His uncle Bruce Kantor of the Help Innocent Prisoners Project wants to help but knows he's too close to the case. His associate Dani Trumbull has family worries of her own to deal with but she knows Bruce wouldn't ask for help without cause. Just as she and her team begin to investigate the case gets even thornier. Frankie is missing and evidence points to an Eldridge cover up. As the FBI launches a hunt for the boy, Dani knows something isn't right. Why would a minor's first offense earn such a harsh punishment? Unconvinced by the court documents, Dani is dogged in her pursuit of the truth that will save Frankie's future if he still has one. *Presumption of Guilt* Marti Green, 2014 Twelve years ago teenager Molly Singer was tried and convicted for murdering her parents. She was sentenced to two consecutive life terms in prison, torn away from her newborn daughter and forsaken by those closest to her. But now a series of anonymous letters proclaim her innocence and point a finger at a deadly conspiracy. Attorney Dani Trumbull specializes in defending the wrongfully imprisoned at the Help Innocent Prisoners Project. But taking Molly's case means taking on a hard-hearted justice system that doesn't like do-overs and a merciless killer who will do anything to keep a secret history of dirty deals buried. Only the truth will set Molly free and reunite her broken family. And only Dani has any chance of finding it in a showdown that will push her legal talents and her survival skills to the very edge. **The Good Twin** Marti Green, 2018 In Marti Green's twisting novel of psychological suspense, twin sisters become engaged in a dangerous deception. Mallory Holcolm is an unfulfilled waitress and aspiring artist living in a Queens boardinghouse when she learns something astonishing about her past: she has an identical twin sister named Charly she never knew existed. Charly is a Princeton graduate, a respected gallery owner, and an heiress married to her handsome college sweetheart Ben. Charly got everything she ever wanted. Everything Mallory wanted too. And now it might be easier than Mallory ever imagined. Because Ben has reasons of his own for wanting to help her. It begins with his startling proposal. All Mallory has to do is say yes. But as their devious plan falls into place piece by piece, Mallory learns more about her sister and herself than she ever meant to. A discovery that comes with an unexpected twist. A chilling deception is about to become a dangerous double cross. And it's going to change the rules of Ben and Mallory's game to the very end. **The Price of Justice** Marti Green, 2015 Seven years ago Winston Melton was on top of the world, a privileged kid fresh off his first semester at Princeton. Life was perfect until he was accused of the rape and murder of an ex-girlfriend. Years after his conviction, another death row inmate has come forward with an eleventh hour confession casting

Win's conviction in a new light But with the ink drying on his death sentence time is running short Win's grandmother the family matriarch has her eyes set on one of the Help Innocent Prisoners Project's defense lawyers Dani Trumball and her reputation for results no matter the cost Dani concerned she is being bought initially refuses but eventually takes the case Soon Dani can sense that something's off both with Win's conviction and the new confession But seven years after the incident is there still a chance of uncovering the truth Intended Or Unintended Consequences? Amy Elizabeth Jasperson,1999 **Justice Delayed** Marti Green,2017-05-09 The fifth legal thriller in the award winning Help Innocent Prisoners Project series is Dani Trumball's most personal case yet as she races to stop an execution and identify the real killer The brutal murder of sixteen year old Kelly Braden sends shock waves through a community and an intellectually disabled man to jail The only witness to Kelly's murder is the five year old cousin she was babysitting The young girl names their neighbor Jack Osgood as the bat wielding criminal Two decades later Osgood faces execution Defense Attorney Dani Trumball and her partner investigator Tommy Noorland are summoned to the Georgia prison where Osgood is on death row With no friends or family of his own there is no one left to believe Jack didn't kill Kelly but Dani and her Help Innocent Prisoners Project With a mentally disabled son of her own defending Osgood could be her most heartrending case yet While fighting a system that blocks her attempts to overturn his conviction Dani must race to identify the real killer before Osgood's time runs out and the murderer strikes again *Big Picture Approaches to the Impact of Social Innovations* Silvia Dorado,Helen Haugh,R. Daniel Wadhwani,Ralph Hamann,2025-11-03 *Big Picture Approaches to the Impact of Social Innovations* includes papers that discuss such narrative and dialectical dynamics in diverse forms and settings such as for example the multi decadal efforts to address homelessness in the United States Planning and Operation of Active Distribution Networks Antonio Carlos Zambroni de Souza,Bala Venkatesh,2022-01-31 This book offers a broad and detailed view about how traditional distribution systems are evolving smart active systems The reader will be able to share the view of a number of researchers directly involved in this field For this sake philosophical discussions are enriched by the presentation of theoretical and computational tools A senior reader may incorporate some concepts not available during his her graduation process whereas new Engineers may have contact with some material that may be essential to his her practice as professionals *Challenging the Innovation Paradigm* Karl Erik Sveiby,Pernilla Gripenberg,Beata Segercrantz,2012 Innovation is almost always seen as a good thing *Challenging the Innovation Paradigm* is a critical analysis of the innovation frenzy and contemporary innovation research The one sided focus on desirable effects of innovation misses many opportunities to reduce the undesirable consequences Authors in this book show how systemic effects outside the innovating firms reduce the net benefits of innovation for individual employees customers as well as for society as a whole also the innovators own organizations This book analyzes the dominant discourses that construct and reconstruct the assumptions and one sidedness of contemporary innovation research generally known as the pro innovation bias by focusing

on consequences of innovation distinguishing between intended and unintended as well as desirable and undesirable consequences Contributors illustrate how both the discourses of innovation and the consequences of innovation permeate all levels of society in policy discourse in academic discourse in research funding in national innovation systems in the financial sector in organizational and work contexts and in environmental pollution The volume offers a critical multidisciplinary and multinational perspective on the topic with authors from diverse academic fields examining and making comparisons between a variety of national contexts
