

Grade 05 Social Studies Unit 02 Exemplar Lesson 02: Colonial Economies

This lesson is one approach to teaching the State Standards associated with this unit. Districts are encouraged to customize this lesson by supplementing with district-approved resources, materials, and activities to best meet the needs of learners. The duration for this lesson is only a recommendation, and districts may modify the time frame to meet students' needs. To better understand how your district may be implementing CSCOPE lessons, please contact your child's teacher. (For your convenience, please find linked the TEA Commissioner's List of [State Board of Education Approved Instructional Resources](#) and [Midcycle State Adopted Instructional Materials](#).)

Lesson Synopsis

In this lesson students examine economic patterns of colonial America. Students make connections between industries, available resources in the area, and their impact on how people make a living. The development of a free enterprise market economy is also explored.
