Verse The Art Of Words:

Verse Sommer Nectarhoff, 2014-12-18 All proceeds from book sales go to the PAWS Chicago animal shelter When most people hear someone mention poetry they scoff and look away and it s hard to blame them but it s not their fault When we re in school and particularly high school English classes we re forced to read dense inaccessible difficult to comprehend verse by to be frank dead old British dudes Not only does their language seem antiquated to the contemporary reader but it s also difficult to relate to as it almost always seems unbearably floral Because this is what we re given to study it s only natural that we come to assume all poetry must be the same way But if we re exposed to the right poetry and not necessarily better poetry it can enrich our lives in much the same way that music does For the reader it provides insight into a pure condensed form of emotion or storytelling a tap into the rich past that has guided human thought for millennia For the writer it teaches a sensitivity to language a concision of diction and punctuation and an economy of thought otherwise difficult to learn And for everyone if only they could get over the cultural stigma surrounding it poetry could provide a very meaningful and accessible form of honest self expression This text will expose readers to the right poetry pieces that explore what to most will be a new and yet immeasurably old form of music By the end of this book you will have caught a glimpse of the art of verse as well as obtained the knowledge necessary to enjoy it on your own NIV, Beautiful Word Bible, Updated Edition Zondervan, 2019-10-08 Be drawn into God s Word through a fresh creative expression of Scripture Now refreshed with 100 additional illustrated verses the NIV Beautiful Word Bible Updated Edition offers a one of a kind visual treatment of Scripture for a more beautiful quiet time Find even more beauty in the Word of God as you discover wisdom to sustain you in every season Be drawn into the splendor of God s Word with colorful illustrated verse art and uplifting imagery that complements Scripture Features Complete text of the accurate readable and clear New International Version NIV 600 full color illustrated verses including 100 new illustrations by Lindsay Letters Jay Kristi Smith and Paige Firnberg Single column format Index of illustrated Scripture passages by artist Words of Jesus in red *Psalm 125-150* Charles Haddon Spurgeon, 1886 Tove Jansson Life, Art, Words Boel Westin, 2013-12-18 The Finnish Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories written between 1945 and 1970 and still in print in more than twenty languages However the Moomins were only a part of her prodigious output Already admired in Nordic art circles as a painter cartoonist and illustrator she would go on to write a series of classic novels and short stories She remains Scandinavia s best loved author Tove Jansson s work reflected the tenets of her life her love of family and special bond with her mother of nature and her insistence on freedom to pursue her art Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising If her relationships with men foundered on her ambivalence towards marriage those with women came as a revelation especially the love and companionship she found with her long time partner the artist Tuulikki Pietil with whom she lived on the solitary island of Klovharu In this meticulously researched authorised biography Boel Westin

draws together the many threads of Jansson's life from the studies interrupted to help her family the dark shades of war and her emergence as an artist with a studio of her own to the years of Moomin mania and later novel writing Based on numerous conversations with Tove and unprecedented access to her journals letters and personal archives Tove Jansson Life Art Words offers a rare and privileged insight into the world of a writer whom Philip Pullman described simply as a genius

Proverbs and the Formation of Character Dave L. Bland, 2015-10-15 This book seeks to press the wisdom of Proverbs into active duty in the trenches of everyday life and put the principles of character formation in working clothes The wisdom Proverbs describes is not designed to master life's challenges but to learn to manage them and adapt In learning to adapt individuals grow and mature spiritually Relying on solid biblical scholarship this book brings to the fore the neglected sentence literature in Proverbs 10-29 and the vital resources they contribute to the process of character formation Contrary to popular opinion the book of Proverbs even though addressed to youth is not a book solely for the young but for those of all ages who desire to continue to grow personally and in their relationship with others and God The wise in the book of Proverbs employ a plethora of resources to help train up young and old alike to grow into the character of God Among others these resources include the value of interacting with others a healthy understanding of conflict an appropriate perspective on wealth a new appreciation for and reliance on the role of the neglected proverb in the education process and the vital role of family and the faith community Ultimately the whole process of character formation is founded upon one's relationship with God and the fear of the Lord

Opera and Drama Richard Wagner, 1995-01-01 With Richard Wagner opera reached the apex of German Romanticism Originally published in 1851 when Wagner was in political exile Opera and Drama outlines a new revolutionary type of musical stage work which would finally materialize as The Ring of the Nibelung Wagner's music drama as he called it aimed at a union of poetry drama music and stagecraft In a rare book length study the composer discusses the enhancement of dramas by operatic treatment and the subjects that make the best dramas The expected Wagnerian voltage is here in his thinking about
