Q1 answer: How that principle goes down from your bank notes during the process

What's your tax?

What are taxes?

A sum of money (usually $\times$ income) that you pay to the government to help it run the country. (usually in money)

Amount paid by taxpayers. Most are compulsory (i.e. you must pay them) but some are not (charity or voluntary payments).

How do you benefit from the taxes you pay?

The answer is that some is higher than the benefit of having the community that you live in

What is a community?

A group of people who live in the same area and share the same interests.

Communities are made of:

1. People who live in the same area
2. People who share the same interests
