Paranormal Perspectives: Portraits of Alien Encounters Revisited Nigel Watson, 2025-07-29 Flying Saucers Unidentified Flying Objects Unidentified Anomalous Objects Foo Fighters Ghost Rockets Phantom Airships Chariots of the Gods whatever you call them strange things have haunted our skies since the dawn of time Are they invaders from outer space as imagined in Hollywood movies Are they the product of psychological sociological and cultural factors Are they nonterrestrial intelligences who are intimately linked to humanity Instead of wrestling with theories and speculation Nigel Watson speaks directly with ordinary people in the United Kingdom who have reported seeing UFOs and a wide range of startling associated phenomena that in the past were considered by UFO investigators as too farfetched or crazy His decadeslong research shows how UFO encounters can often escalate from simple sightings of lights in the sky to sightings of alien entities robots men in black and angelic beings UFO witnesses and experiencers can also be plagued by a lifechanging poltergeist or other ghostly experiences telepathic messages alien communications strange coincidences visions of the future and abductions Many of the stories might seem like science fiction or the very stuff of nightmares yet they are told by people of different age groups social backgrounds and locations Whatever the answer if there is any one answer this is a fascinating look at how UFO experiences have evolved in the UK and reflect similar worldwide changes in our relationship with the unknown

The Fortean Influence on Science Fiction Tanner F. Boyle, 2020-12-23 Charles Fort was an American researcher from the early twentieth century who cataloged reports of unexplained phenomena he found in newspapers and science journals A minor bestseller with a cult appeal Fort's work was posthumously republished in the pulp science fiction magazine *Astounding Stories* in 1934 His idiosyncratic books fascinated scared and entertained readers many of them authors and editors of science fiction Fort's work prophesied the paranormal mainstays of SF literature to come UFOs poltergeists strange disappearances cryptids ancient mysteries unexplained natural phenomena and everything in between Science fiction authors latched on to Fort's topics and hypotheses as perfect fodder for SF stories Writers like Arthur C Clarke Philip K Dick Robert Heinlein H P Lovecraft and others are examined in this exploration of Fortean science fiction a genre that borrows from the reports and ideas of Fort and others who saw the possible science fictional nature of our reality

A View to the Unknown Robert L. Pollock, 2015-08-07 We all have questions about things that are unknown to us or that terrify us Well maybe if we look at the unknown with a critical eye to the facts known to us we may not be so fearful of things that go bump in the night So come with me into the unknown question those things that scare you or that you do not understand We may find some answers that soothe your fears a bit

Take this tour of the unknown and tickle that spirit of adventure you may even find that it helps you confront the paranormal with less fear than you would have if you did not read this quest for answers To find any answers we must first follow the evidence wherever it leads So sit back relax and enjoy the tour into the unknown as investigated by a police detective

Mothman and Other Curious Encounters Loren Coleman,2001-12-01 A new Hollywood blockbuster an amazing documentary and thousands of web pages in its honor What s the fuss In a word Mothman A famous investigator examines the reports of this huge red eyed creature with wings seen over Point Pleasant West Virginia on November 15 1966 and the spawn of Mothman seen before and after that date

True Stories of the Real Men in Black Nick Redfern,2014-07-15 Men in black mysterious figures in suits that appear after UFO sightings have become a familiar part of our popular culture However as this book shows the real men in black may be something much more sinister and terrifying than anything in the movies The author reviews paranormal history documenting cases in which UFO witnesses were intimidated and harassed into silence by unexpressive shadowy individuals After revealing classic cases uncovered in interviews government files and other sources the author explores possible explanations for the creepy visitations Enhanced with a wealth of resources for further information young paranormal fans shouldn t miss this title

Think to New Worlds Joshua Blu

Buhs,2024-07-03 How a writer who investigated scientific anomalies inspired a factious movement and made a lasting impact on American culture Flying saucers Bigfoot Frogs raining from the sky Such phenomena fascinated Charles Fort the maverick writer who scanned newspapers journals and magazines for reports of bizarre occurrences dogs that talked vampires strange visions in the sky and paranormal activity His books of anomalies advanced a philosophy that saw science as a small part of a larger system in which truth and falsehood continually transformed into one another His work found a ragged following of skeptics who questioned not only science but the press medicine and politics Though their worldviews varied they shared compelling questions about genius reality and authority At the center of this community was adman writer and enfant terrible Tiffany Thayer who founded the Fortean Society and ran it for almost three decades collecting and reporting on every manner of oddity and conspiracy In *Think to New Worlds* Joshua Blu Buhs argues that the Fortean effect on modern culture is deeper than you think Fort s descendants provided tools to expand the imagination explore the social order and demonstrate how power is exercised Science fiction writers put these ideas to work as they sought to uncover the hidden structures undergirding reality Avant garde modernists including the authors William Gaddis Henry Miller and Ezra Pound as well as Surrealist visual artists were inspired by Fort s writing about metaphysical and historical forces And in the years following World War II flying saucer enthusiasts convinced of alien life raised questions about who controlled the universe Buhs s meticulous and entertaining book takes a respectful look at a cast of oddballs and eccentrics plucking them from history s margins and spotlighting their mark on American modernism *Think to New Worlds* is a timely consideration of a group united not only by conspiracies and mistrust of science but by their place in an ever expanding universe rich with unexplained occurrences and visionary possibilities

Knowledge and the Production of Nonknowledge Mark

Featherstone,2002 This volume shows how alien stories represent and articulate issues of otherness in America s post war technocratic society Reading the texts that are constitutive of alien myth the book explains how the political condition of post war America is encoded at the level of popular culture An analysis of America s consumer culture suggests that the consumption of alien myth is comparable with the technical and bureaucratic rationality of the American political order By expanding this examination of the relationship between technology and myth the study shows how during the age of technologocentrism the double strategy constituted by the pursuit of consumption and the objectification of the alien other leads the dominant order toward a temporary communion with the technological system As such the commodity tranquilizes the centre s capital anxiety the panic caused by the machine s ability to both bestow being and cause non being and understand the permanent state of lack that is highlighted by both the form and content of the narratives described by alien myth
