The Bible And The Comic Vision:

The Bible and the Comic Vision J. William Whedbee, 1998-05-28 Apart from the occasional recognition of comic forms or motifs in biblical dress the vast majority of interpreters have usually discounted or even disdained the possibility of the Bible having any significant place for the comic vision This book attempts to make amends for this short sighted prejudicial perspective

Are We Amused? Athalya Brenner, 2003-01-01 Essays on women men gender roles and humor as social critique

Illuminating Humor of the Bible Steven Walker, 2013-06-18 Humor smiles and chuckles and sometimes laughs so loud in virtually every book of the Bible so it s remarkable how readers manage to overlook it It s also unfortunate Humor graces biblical texts at so many levels that to miss the humor is to miss not only much of the emotional impact of the Bible but much of its meaning *Illuminating Humor of the Bible* shows how and how much comic elements contribute to understanding the most vital book in our culture Biblical humor has been seriously underestimated We have not begun to appreciate why humor winks with such unexpected frequency and understated significance from this revered text It s time to shine a spotlight on scriptural wit to illuminate the ways humor refracts biblical meaning Unveiled by the frank perspective of humor Bible texts reveal implications that will surprise the most informed readers The reader response lamp of humor lights up dark corners of biblical significance inaccessible until now Awareness of the irony and wit and satire and slapstick enables not just better readings but better ways to read Go where no Bible reader has gone before Try eight fresh and relevant methods of reading the Bible better through the lens of its humor

The Face of the Deep Catherine Keller, 2003-12-16 This is a groundbreaking highly original work of postmodern feminist theology from one of the most important authors in the field *The Face of the Deep* deconstructs the Christian doctrine of creation which claims that a transcendent Lord unilaterally created the universe out of nothing Catherine Keller s impassioned graceful meditation develops an alternative representation of the cosmic creative process drawing upon Hebrew myths of creation from chaos and engaging with the political and the mystical the literary and the scientific the sexual and the racial As a landmark work of immense significance for Jewish and Christian theology gender studies literature philosophy and ecology *The Face of the Deep* takes our originary story to a new horizon rewriting the starting point for Western spiritual discourse

Redefining Job and the Conundrum of Suffering Victoria Adams, 2020-06-11 As a species we are storytellers Our best stories those that endure for generations are stories of trials and suffering and of surmounting the challenges set before us The biblical Job is such a story one that has become encrusted with centuries of interpretations *Redefining Job and the Conundrum of Suffering* sets out to retell the story to make once upon a time have meaning for us today The best way to break old patterns is to start from scratch *Redefining Job* dissects the story the history of interpretations and the history of how humanity has dealt with suffering As the story is rebuilt with different insights gained from research in biblical studies humanities and science the message can be viewed in a fresh light The author of Job lived at a time when knowledge was expanding and our

perception of our place in the universe was changing From this perspective Job becomes a hero No longer patiently waiting for some ambiguous answer he is demanding something more of his Maker Before I heard but now I see becomes an affirmation that he grasped a new path to discovering why we suffer and how we should respond **Visions and Faces of the Tragic** Paul M. Blowers,2020 This study presses beyond the pervasive early Christian aversion to pagan theatrical art in all its forms and investigates the growing critical engagement with the genre of tragedy by Christian authors especially in the post Constantinian era **Laughter and the Grace of God** Brian Edgar,2020-01-01 We cannot really love anybody with whom we never laugh and this is true of our relationship with God Thomas Aquinas spoke of the sin of having too little laughter as well as the danger of having too much while Martin Luther said If you re not allowed to laugh in heaven I don t want to go there Having a sense of humour is essential for maturity in faith and holiness but sadly the role that laughter plays in life and spirituality have often been neglected Laughter and the Grace of God restores laughter to its central place in Christian spirituality and theology by examining its role in Scripture and highlighting its presence in unexpected places including the story of Abraham and the formation of the covenant and the tragedy of Job Laughter can be found in the incarnation the resurrection and even the crucifixion Jesus is himself the great laugh maker and it is nothing less than a participation in the life and love of God **Song of Songs** Franklin Scott Spencer,2017 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God s vision of dignity equality and justice for all Book jacket **Song of Songs** F. Scott Spencer,2017-02-01 Arguably the biggest blockbuster love song ever composed the Song of Songs holds a unique place in Jewish and Christian canons as the holiest book in the minds of some readers and the sexiest in its language and imagery This commentary aims to interpret this vibrant Song in a contemporary feminist key informed by close linguistic literary and social cultural analysis Though finding much in the Song to celebrate for women and men in their embodied passionate lives this work also exposes tensions vulnerabilities and inequities between the sexes and among society at large just what we would expect of a perceptive poignant love ballad that still tops the charts Humor in the Gospels Terri Bednarz,2015-05-05 Humor in the Gospels is the most comprehensive resource on Gospel humor to date Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little known journal articles and out of print books to the most well respected classical works of today She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs She examines the barriers of associating humor with the Gospel depictions of Jesus the difficulties of identifying humor in ancient biblical texts and the advances of literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general Preaching as Pastoral Caring

David J. Schlafer, Roger Alling, 2005-03-01 *Preaching as Pastoral Caring* is the thirteenth in a series of books devoted to presenting examples of preaching excellence from parishes throughout the Episcopal Church This volume addresses the difficult and essential area of pastoral preaching as a kind of spiritual leadership in which compassionate healing and courageous confrontation are experienced not as polar opposites but as inseparable *Diaspora* Erich S. Gruen, 2009-07 What was life like for Jews settled throughout the Mediterranean world of Classical antiquity and what place did Jewish communities have in Greco Roman civilization This account of the Jewish diaspora from Alexander the Great's conquest of the Near East to the Roman destruction of the Jewish Temple offers some surprising conclusions *A Broken Beauty* Theodore L. Prescott, 2005 *A Broken Beauty* examines recent ideas about beauty and the human image in light of the Western Classical and Christian traditions of the human figure The book's five essays trace the historical fusion of Classical and Christian ideas about beauty as well as their rejection by much modern art provocatively suggesting that the difficulties encountered by the beautiful in modernity may be related to a loss of faith This volume culminates in a look at fifteen postmodern North American artists whose haunting pieces unite brokenness and beauty in a way that is uncommon within contemporary art These artists like the book's essayists find significance in beauty that is cultivated amidst the perennial human struggle for goodness meaning and dignity BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Living Countertestimony* Walter Brueggemann, 2012-10-11 This volume invites readers to get up close and personal with one of the most respected and beloved writers of the last four decades Carolyn J Sharp has transcribed numerous table conversations between Walter Brueggemann and his colleagues and former students in addition to several of his addresses and sermons from both academic and congregational settings The result is the essential Brueggemann readers will learn about his views on scholarship faith and the church get insights into his contagious charisma grace and charity and appreciate the candid reflections on the fears uncertainties and difficulties he faced over the course of his career Anyone interested in Brueggemann's work and thoughts will be gifted with thought provoking inspirational reading from within these pages **The Reception of Northrop Frye**, 2021-08-31 The widespread opinion is that Northrop Frye's influence reached its zenith in the 1960s and 1970s after which point he became obsolete his work buried in obscurity This almost universal opinion is summed up in Terry Eagleton's 1983 rhetorical question Who now reads Frye In *The Reception of Northrop Frye* Robert D Denham catalogues what has been written about Frye books articles translations dissertations and theses and reviews in order to demonstrate that the attention Frye's work has received from the beginning has progressed at a geomantic rate Denham also explores what we can discover once we have a fairly complete record of Frye's reception in front of us such as Hayden White's theory of emplotments applied to historical writing and Byron Almén's theory of musical narrative The sheer quantity of what has been written about Frye reveals that the only valid response to Eagleton's rhetorical question is a very large and growing number the growth being not incremental but exponential

Comedy, Tragedy, and Religion John Morreall, 1999-05-27 Explains the worldviews of comedy tragedy analyzes world religions finding some to be more comic other more tragic

Serving the Word Edward Sanders, Frank Dicken, 2015-07-07 This book and the essays contained within are dedicated to Dr Chuck Sackett in recognition of his thirty two years of teaching at Lincoln Christian University He currently serves as Professor at Large but has held a variety of roles and titles during his thirty two years there These essays are written by current colleagues and former students who have had the privilege of studying hermeneutics homiletics and ministry with Dr Sackett Each essay covers a topic of scholarly or contemporary interest in the fields of hermeneutics or homiletics Hermeneutics and homiletics remain topics of discussion in the academy and the church These essays continue that discussion The essays overlap the two fields Some essays focus heavily on hermeneutical issues with an eye towards proclamation while others start with homiletics and hermeneutical issues are echoed in the background The essays found in this book offer unique perspectives and approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching

Humor, Resistance, and Jewish Cultural Persistence in the Book of Revelation Sarah Emanuel, 2020-01-09 Empire critical and postcolonial readings of Revelation are now commonplace but scholars have not yet put these views into conversation with Jewish trauma and cultural survival strategies In this book Sarah Emanuel positions Revelation within its ancient Jewish context Proposing a new reading of Revelation she demonstrates how the text s author a first century CE Jewish Christ follower used humor as a means of resisting Roman power Emanuel uses multiple critical lenses including humor trauma and postcolonial theory together with historical critical methods These approaches enable a deeper understanding of the Jewishness of the early Christ centered movement and how Jews in antiquity related to their cultural and religious identity Emanuel s volume offers new insights and fills a gap in contemporary scholarship on Revelation and biblical scholarship more broadly

Mixed Feelings and Vexed Passions F. Scott Spencer, 2017-10-05 A ground breaking collection exploring the rich array of emotions in biblical literature An international team of Hebrew Bible and New Testament scholars offers incisive case studies of passions displayed by divine and human figures in the biblical texts ranging from joy happiness and trust to grief hate and disgust Essays address how biblical characters feelings affect their relationship with God one another and the world and how these feelings mix together for good or ill for flourishing or vexation Deeply engaged with both ancient and modern contexts including the burgeoning interdisciplinary study of emotion in the humanities and sciences these essays break down the artificial divide between reason and passion cognition and emotion thought and feeling in biblical study Features Case studies drawn from multiple genres across the Bible narrative prophets poetry wisdom Gospels and letters Helpful select bibliographies of interdisciplinary resources at the end of each essay Critical balance between theory and practice and between method and close textual analysis Distinctive ancient

Hebrew and Greek uses of emotional terms and concepts compared with each other and with evolving understandings in Western culture **The Formulation of Scripture** Naveen Rao, 2010

The Bible And The Comic Vision Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **The Bible And The Comic Vision**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
