Anna-Teresa Tymieniecka, 2007-11-10 *The Human Condition* prompts our creative strivings beyond the natural round of life toward outstanding achievements. This book explains how the emergence of Human Condition lifts natural endowment of the individual to the level of excellence. It shows how natural forces and promptings of life transmute through creative Human Condition subliminal passions of the soul into innumerable streaks of spiritual significance. Dostoevsky and Kant Evgenia Cherkasova, 2009 In this book Evgenia Cherkasova brings the philosopher Kant and the novelist Dostoevsky together in conversations that probe why duty is central to our moral life. She shows that just as Dostoevsky is indebted to Kant so Kant would profit from the deeply philosophical narratives of Dostoevsky which engage the problem of evil and the claims of human community. She not only produces a novel reading of Dostoevsky but also guides us to later often neglected Kantian texts. This study is written with scholarly care, penetrating analysis, elegance of style, and moral urgency. Cherkasova writes with both mind and heart. The Grace of Incorruption Donald Sheehan, 2014-03-01 Professor and scholar, teacher of poets and poetry, and convert to Eastern Orthodoxy. Donald Sheehan wrote these wide-ranging essays with a common commitment to understanding the ways in which the ruining oppositions of our experience can be held within the disciplines of lyric art held until God Himself can be seen in the ruins and overwhelmingly and gratefully loved. That is what Sheehan means by the grace of incorruption. Part One weaves together themes from Sheehan's life and pilgrimages: the spiritual art of Orthodox Saints Gregory of Nyssa, Isaac and Ephraim of Syria, and others; the literary art of Dostoevsky, Frost, Salinger, and contemporary poets including Jane Kenyon; and the philosophy of René Girard, examining the nature of penitence, prayer, personhood, freedom, depression, and the right relationship to the earth. Part Two delves into the poetics of The Psalms, especially LXX 118, a poetics of resurrection. I am dead, certain that my response to this volume will chime with those of others whose work is held up to the light in *The Grace of Incorruption*. In one beautiful sentence after another we must share the uncanny sense of never having understood our own hearts not until we saw them reflected in the great heart and mind of this nonpareil commentator. Don Sheehan did not merely understand poetry; it was part and parcel of his own great soul. Sydney Lea, Vermont Poet Laureate. This was a very difficult book for me to read as now and again my own tears blinded me to the page and my own sobbing shook the papers in my hands. That is to say that Donald Sheehan's journey through both brokenness and beauty to a deep and healing calm is at

once personal and universal With a poet's visionary prose a scholar's acuity and a pilgrim's devotion Donald Sheehan offers his reader access to the profound compelling stillness at the heart of all things He proves an exceedingly good guide along the way Scott Cairns author of *Slow Pilgrim* Collected Poems In this beautiful book Dostoyevsky Orthodox liturgy and Holy Fathers ancient and modern converse with Shakespeare Frost Salinger Jane Kenyon and Ren Girard sharing insight into such realities as memory violence depression stillness self emptying love personhood and the anthropology of the Cross This conversation a spiritual ecumenism effected in art gathers finally round the heart and source of all tradition of poetry and prayer in Christian East and West alike the Psalms of David Orthodox Christian contributions to Anglophone poetry and poetics are few Don Sheehan was not only a fine interpreter of poetry but a poet himself working in the medium of prose The philosopher Malebranche famously wrote that attentiveness is the natural prayer of the soul and the Orthodox liturgy bids us continually to be attentive The essays in this volume capture that spirit of loving attentiveness never lacking in form for which Don ardently strove and which characterized his approach to art to other people and to God Fr Matthew Baker Fordham University

Orthodoxy, Modernity, and Authenticity Heather Bailey, 2020-10-21 Ernest Renan was one of the most renowned European intellectuals of the second half of the nineteenth century Yet the impact of his most popular work *Life of Jesus* has been underestimated when not altogether ignored While commonplace now the idea that Jesus was merely human was at one time a novelty with significant socio political cultural and religious implications A case study in the Russian encounter with modernity Orthodoxy Modernity and Authenticity The Reception of Ernest Renan's *Life of Jesus* in Russia demonstrates that Renan's book has had long lasting and broad appeal in Russia because it presents an alternative to a strictly materialist worldview on the one hand and an Orthodox worldview on the other Renan offered his readers the possibility to accept the

tenets of modernity while still retaining both an admiration for the importance of religion in history and a sense of religious feeling or even belief in a higher religious ideal Assessments of Renan's alternative belief system whether positive negative or mixed were often simultaneously evaluations of the moral socio political and spiritual condition of European society in general and Russian society in particular The interpretive history of Renan's *Life of Jesus* in Russia reveals a persistent disillusionment with a strictly materialist interpretation of history and of life
