Yusuf's Fragrance Mahmud Gaami; tr. Mufti Mudasir,2022-12-05 It can be said of the 19th century Kashmiri poet Mahmud Ga mi that he was a pioneer in introducing the Persian genres of the ghazal nazm masnavi and na t into Kashmiri Mahmud Gami's contribution to Kashmiri poetry is unique in both scope and depth Not only is he the first truly prolific poet who has written entirely in the Kashmiri language but much of his poetry also stands out for its beauty of expression and depth of thought such as in the lyrical romance of Shireen Khusrau Yusuf Zulaikha and Layla Majnun Yusuf's Fragrance is both a celebration as well as an homage to Gami's oeuvre Through these beautiful verses we explore themes of love both physical and metaphysical philosophy folklore and tradition through different narrative devices such as nazms masnavis and vatsuns

The Muslim Secular Amar Sohal,2023-08-01 Concerned with the fate of the minority in the age of the nation state Muslim political thought in modern South Asia has often been associated with religious nationalism and the creation of Pakistan The Muslim Secular complicates that story by reconstructing the ideas of three prominent thinker actors of the Indian freedom struggle the Indian National Congress leader Abul Kalam Azad the popular Kashmiri politician Sheikh Abdullah and the nonviolent Pashtun activist Abdul Ghaffar Khan Revising the common view that they were mere acolytes of their celebrated Hindu colleagues M K Gandhi and

Jawaharlal Nehru this book argues that these three men collectively produced a distinct Muslim secularity from within the grander family of secular Indian nationalism an intellectual tradition that has retained religion within the public space while nevertheless preventing it from defining either national membership or the state At a time when many across the decolonising world believed that identity based majorities and minorities were incompatible and had to be separated out into sovereign equals Azad Abdullah and Ghaffar Khan thought differently about the problem of religious pluralism in a postcolonial democracy The minority they contended could conceive of the majority not just as an antagonistic entity that is set against it but to which it can belong and uniquely complete Premising its claim to a single united India upon the universalism of Islam champions of the Muslim secular mobilised notions of federation and popular sovereignty to replace older monarchical and communitarian forms of power But to finally jettison the demographic inequality between Hindus and Muslims these thinkers redefined equality itself Rejecting its liberal definition for being too abstract and thus prone to majoritarian assimilation they replaced it with their own rendition of Indian parity to simultaneously evoke commonality and distinction between Hindu and Muslim peers Azad Abdullah and Ghaffar Khan achieved this by deploying a range of concepts from profane inheritance and theological autonomy to linguistic diversity and ethical pledges Retaining their Muslimness and Indian nationality in full this crowning notion of equality as parity challenged both Gandhi and Nehru s abstractions and Mohammad Ali Jinnah s supposedly dangerous demand for Pakistan
