**The Carter Boys** Desirée,2017-12-26 Sex love drugs and music are just a few of the Carter boys daily dealings Drama follows them everywhere especially being the largest most dangerous organization the city of Atlanta has ever seen The women who want to be with them and the men who want to be just like them can easily get lost in the shuffle when the target is constantly moving to a new Carter's back So what happens when a slick mouth girl from Brooklyn decides to go off to college in the unofficial capital of the South She is quickly introduced to the Atlanta lifestyle where Bruh is part of every other sentence dreaded fros are a must hot lemon pepper wings are law west side accents are always thicker nobody says ATL unless they're from out of town HBCU life is unlike any other and most importantly it's all about family In particular it's all about the Carter family Without the Carters there is no Atlanta

**Don't Mess with the Carter Boys** Desirée,2018-11-27 The Carter Boys are a rap group on the rise and their name rings loud in Atlanta With their pretty boy looks and take no prisoners demeanor all the men want to be like them and women will fight to be with them They're back again in this third installment of the wild and crazy oh so addictive Carter Boys series Shiloh Anthony Jaheim Talin Elijah and Trent have so many things going on outside of the family that there is little time to keep a watchful eye on the princess of the Carter family baby sister Olivia All that changes when the secret life she's been hiding comes to the forefront causing a couple of her siblings to feel some type of way Whether they're for her or against her the Carter men try to deal with what Olivia has going on all while trying to handle their own drama Surprise proposals unexpected pregnancies sexual tension more lies some truths meeting the in laws and a big family dinner that starts and ends with so much chaos that a few brothers literally come to blows are just a few of the things jumping off with this crazy cast of characters Let the creative mind of Desirée take you on another trip to Atlanta where the Carter family and all their drama is sure to keep you thoroughly entertained

**The Return of the Carter Boys** Desirée,2018-06-05 The Carter Boys are a rap group on the rise and their name rings loud in Atlanta With their pretty boy looks and take no prisoners demeanor all the men want to be like them and women will fight to be with them Stepping outside of his relationship with his
