The Case Against Obamacare:

A Conspiracy Against Obamacare R. Barnett, J. Adler, D. Bernstein, O. Kerr, D. Kopel, I. Somin, 2013-11-12 The Affordable Care Act debate was one of the most important and most public examinations of the Constitution in our history At the forefront of that debate were the bloggers of the Volokh Conspiracy who from before the law was even passed engaged in a spirited erudite and accessible discussion of the legal issues involved in the case **Beyond Hashtag Activism** Mae Elise Cannon, 2020-05-26 The world is not as God intends it to be But complex problems warrant more attention than quick posts on social media How can we actually make a difference Helping us accomplish change through a range of strategic avenues activist Mae Elise Cannon shows us how to channel our passions to care effectively for our neighbor and the world [Why Obamacare Is Wrong for America](#) Grace-Marie Turner, James C. Capretta, Thomas P. Miller, Robert E. Moffit, 2011-03-22 Why ObamaCare is Wrong for America is the first in depth examination of the impact of the new national health care law on American individuals families and businesses Written by an esteemed quartet of experts and former health policy officials Why ObamaCare is Wrong for America demystifies the convoluted plan that the Obama administration and a Democratic Congress pushed through exploring its effect on real people Eye opening and important it is a book that everyone in America should read providing essential information on what s in the new Health Care Law how it will affect YOU and what you can do about it **Our Republican Constitution** Randy E. Barnett, 2016-04-19 Finished book mailing to professors of Constitutional Law **University of Arkansas at Little Rock Law Review** ,2012 *The Economist* ,2012 *Wealth* Jack Knight, Melissa Schwartzberg, 2017-06-02 An in depth political legal and philosophical study into the implications of wealth inequality in modern societies Wealth and specifically its distribution has been a topic of great debate in recent years Calls for justice against corporations implicated in the 2008 financial crash populist rallying against the one percent distrust of the influence of wealthy donors on elections and policy all of these issues have their roots in a larger discussion of how wealth operates in American economic and political life In *Wealth* a distinguished interdisciplinary group of scholars in political science law and philosophy address the complex set of questions that relate to economic wealth and its implications for social and political life in modern societies The volume thus brings together a range of perspectives on wealth inequality capitalism oligarchy and democracy The essays also cover a number of more specific topics including limitarianism US Constitutional history the wealth defense industry slavery and tax policy *Wealth* offers analysis and prescription including original assessment of existing forms of economic wealth and creative policy responses for the negative implications of wealth inequality Economic wealth and its distribution is a pressing issue and this latest installment in the NOMOS series offers new and thought provoking insights **Florida Law Review** ,2017 [Committee Meeting of New Jersey Legislative Select Committee on Investigation](#) New Jersey. Legislature. Select Committee on Investigation, 2014 *Mother Jones* ,2017 *Fault Lines* Kevin M. Kruse, Julian E. Zelizer, 2025-11-11 REVISED EDITION WITH A NEW CHAPTER AND EPILOGUE

Two award winning and best selling historians explore the origins of a divided America in a new edition of *Fault Lines* In this fully updated second edition of their masterful history leading historians and best selling authors Kevin M Kruse and Julian E Zelizer uncover the origins of our current moment answering the question When and how did America become so polarized It all starts in 1974 with the Watergate crisis the OPEC oil embargo desegregation busing riots in Boston and the wind down of the Vietnam War What follows is the story of our own lifetimes It s the story of ever widening historical fault lines over economic inequality race gender and sex norms firing up a polarized political landscape It is also the story of the profound transformations of the media and our political system fueling the fire The new edition includes a brand new chapter American Carnage on the Trump administration a new epilogue on the Biden administration and the 2024 general election and significant updates throughout

American Conservatism Sanford V. Levinson, Melissa S. Williams, Joel Parker, 2016-05-17 A collection of essays that unpacks the history nature development and beliefs of American Conservatism The topic of American conservatism is especially timely and perhaps volatile Is there what might be termed an exceptional form of conservatism that is characteristically American in contrast to conservatisms found in other countries Are views that are identified in the United States as conservative necessarily congruent with what political theorists might classify under that label Or does much American conservatism almost necessarily reflect the distinctly liberal background of American political thought In *American Conservatism* a distinguished group of American political and legal scholars reflect on these crucial questions unpacking the very nature and development of American conservative thought They examine both the historical and contemporary realities of arguments offered by self conscious conservatives in the United States offering a well rounded view of the state of this field In addition to synoptic overviews of the various dimensions of American conservative thought specific attention is paid to such topics as American constitutionalism the role of religion and religious institutions and the particular impact of the late Leo Strauss on American thought and thinkers Just as American conservatism includes a wide and sometimes conflicting group of thinkers the essays in this volume themselves reflect differing and sometimes controversial assessments of the theorists under discussion

Unprecedented Josh Blackman, 2013-09-10 Foreword by Randy E Barnett In 2012 the United States Supreme Court became the center of the political world In a dramatic and unexpected 5 4 decision Chief Justice John Roberts voted on narrow grounds to save the Affordable Care Act commonly known as Obamacare *Unprecedented* tells the inside story of how the challenge to Obamacare raced across all three branches of government and narrowly avoided a constitutional collision between the Supreme Court and President Obama On November 13 2009 a group of Federalist Society lawyers met in the Mayflower Hotel in Washington D C to devise a legal challenge to the constitutionality of President Obama s legacy his healthcare reform It seemed a very long shot and was dismissed peremptorily by the White House much of Congress most legal scholars and all of the media Two years later the fight to overturn the Affordable Care Act became a political and legal firestorm When finally the Supreme

Court announced its ruling the judgment was so surprising that two cable news channels misreported it and announced that the Act had been declared unconstitutional Unprecedented offers unrivaled inside access to how key decisions were made in Washington based on interviews with over one hundred of the people who lived this journey including the academics who began the challenge the attorneys who litigated the case at all levels and Obama administration attorneys who successfully defended the law It reads like a political thriller provides the definitive account of how the Supreme Court almost struck down President Obama s unprecedented law and explains what this decision means for the future of the Constitution the limits on federal power and the Supreme Court U.C. Economics Paul Krugman,Robin Wells,2015-03-30 When it comes drawing on enduring economic principles to explain current economic realities there is no one readers trust more than Paul Krugman With his bestselling introductory textbook now in a new edition the Nobel laureate and New York Times columnist is proving to be equally effective in the classroom with more and more instructors in all types of schools using Krugman s signature storytelling style to help them introduce the fundamental principles of economics to all kinds of students **Arkansas Law Review** ,2014

What Washington Gets Wrong Jennifer Bachner,Benjamin Ginsberg,2016 This book reveals a surprising ignorance on the part of unelected federal officials regarding the life circumstances and opinions of average Americans as well as an attitude of condescension *Montana Law Review* ,2012 *Throw Them All Out* Peter Schweizer,2011-11-15 THE BOOK WASHINGTON DOES NOT WANT YOU TO READ How is it that politicians often enter office with relatively modest assets but then as investors regularly beat the stock market and sometimes beat the most rapacious hedge funds How did some members of Congress know to dump their stock holdings just in time to escape the effects of the 2008 financial meltdown And how is it that billionaires and hedge fund managers often make well timed investment decisions that anticipate events in Washington In this powerfully argued book Peter Schweizer blows the lid off Washington s epidemic of honest graft He exposes a secret world where members of Congress insert earmarks into bills to improve their own real estate holdings and campaign contributors receive billions in federal grants Nobody goes to jail *Throw Them All Out* casts light into the darkest corners of the political system and offers ways to clean house *Throw Them All Out* is filled with stories of petty theft and so called honest graft Unsparingly bipartisan in its criticism of Washington Mr Schweizer has performed a valuable service to his country *Washington Times* Can It Happen Here? Cass R. Sunstein,2018-03-06 Or has it already Experts in law politics and other fields discuss the state of American freedom and its precarious future With the 2016 election of Donald J Trump many on both the left and right feared that America s 240 year old grand experiment in democracy was coming to an end and that Sinclair Lewis satirical novel *It Can t Happen Here* written during the dark days of the 1930s could finally be coming true Is the democratic freedom that the United States symbolizes really secure Can authoritarianism happen in America Acclaimed legal scholar Harvard professor and New York Times bestselling author Cass R Sunstein queried a number of the

nation's leading experts on the subject. In this thought provoking collection of essays these distinguished thinkers and theorists explore the lessons of history: how democracies crumble, how propaganda works, and the role of the media, courts, elections, and fake news in the modern political landscape, and what the future of the United States may hold. What makes Trump immune is that he is not a president within the context of a healthy Republican government. He is a cult leader of a movement that has taken over a political party, and he specifically campaigned on a platform of one man rule. This fact permeates *Can It Happen Here*, which concludes if you read between the lines that it already has.
