Mathis, 2001-11-30 In American fiction two forms of the Arthurian myth are commonly found the use of the myth for political reasons and the use of the myth for the continuation of an aesthetic tradition that can be traced back to the earliest use of the Arthurian cycle by writers in the British Isles This work traces the use of the legend from Mark Twain s A Connecticut Yankee in King Arthur s Court to Donald Barthelme s novel The King It discusses how Twain used the myth to take a stand against England how it served cultural and aesthetic purposes in John Steinbeck s writing how Raymond Chandler used it in complex texts with less obvious Arthurian allusions that carried strong cultural and even political associations how John Gardner used aspects of the myth to embellish already existing narrative structures and to underscore philosophic debates and how Donald Barthelme suggests the continuing interest of American writers in the Arthurian legend today in his novels Also discussed is the effect of World War II on American literature and the Arthurian myth and the Camelot image surrounding the Kennedys      The Lady in the Lake Raymond Chandler, 2002      The Saturday Evening Post , 1912      The Brothers Grim Erica Rowell, 2007-05-30 In 1984 Joel and Ethan Coen burst onto the art house film scene with their neo noir Blood Simple and ever since then they have sharpened the cutting edge of independent film Blending black humor and violence with unconventional narrative twists their acclaimed movies evoke highly charged worlds of passion absurdity nightmare realms and petty human failures all the while revealing the filmmakers penchant for visual jokes and bravura technical strokes Their central characters may be blind to reality and individual flaws but their illusions dreams fears and desires map the boundaries of their worlds worlds made stunningly memorable by the Coens In The Brothers Grim The Films of Ethan and Joel Coen Erica Rowell unmask the filmmakers as prankster mythmakers exploiting and subverting universal storytelling modes to further what seems to be their artistic agenda to elicit laughs Often employing satire and allegory the Coens movies hold a mirror up to American

society allowing viewers to both chuckle and gasp at its absurdities hypocrisies and foibles from business partnerships Blood Simple The Ladykillers to marriage Intolerable Cruelty to friendship and ethics Miller's Crossing the breakdowns of relationships are a steady focus in their work Often the Coens satires put broken social institutions in their cinematic crosshairs exposing cracks in ineffective penal systems Raising Arizona O Brother Where Art Thou unjust justice systems The Man Who Wasn't There a crooked corporate America The Hudsucker Proxy unnecessary wars The Big Lebowski a tyrannical Hollywood Barton Fink and the unbridled fatuous pursuit of the American Dream Fargo While audiences may be excused for missing the duo's social commentary the depth and breadth of the brothers' films bespeak an intelligence and cultural acuity that is rich highly topical and hard to pigeonhole      Towards a 'Natural' Narratology Monika Fludernik, 2002-11 In this ground-breaking work of synthesis Monika Fludernik combines insights from literary theory and linguistics to provide a challenging new theory of narrative This book is both an historical survey and theoretical study with the author drawing on an enormous range of examples from the earliest oral story to contemporary experimental fiction She uses these examples to prove that recent literature far from heralding the final collapse of narrative represents the epitome of a centuries-long developmental process      **The Big Sleep; Farewell, My Lovely; The High Window** Raymond Chandler, 2002-10-15 Raymond Chandler's first three novels published here in one volume established his reputation as an unsurpassed master of hard-boiled detective fiction The Big Sleep Chandler's first novel introduces Philip Marlowe a private detective inhabiting the seamy side of Los Angeles in the 1930s as he takes on a case involving a paralyzed California millionaire two psychotic daughters blackmail and murder In Farewell My Lovely Marlowe deals with the gambling circuit a murder he stumbles upon and three very beautiful but potentially deadly women In The High Window Marlowe searches the California underworld for a priceless gold coin and finds himself deep in the tangled affairs of a dead coin collector In all three novels Chandler's hard-edged prose colorful characters vivid vernacular and above all his enigmatic loner of a hero enduringly establish his claim not only to the heights of his chosen genre but to the pantheon of literary art Featuring the iconic character that inspired the forthcoming film Marlowe starring Liam Neeson      **Bookseller and Stationery Trades' Journal**, 1948      □□□□□□□□□□ □□□□□□□□□□, 1986      **Library Journal**, 2002      Library Journal Melvil Dewey, Richard Rogers Bowker, L.
