

Preface

This service and reference manual contains the technical information necessary to set up and maintain the NEC Versa® 2700 Series notebook computer. It also provides hardware and interface information for users who need an overview of the system's design. The manual is written for NEC-trained customer engineers, system analysts, service center personnel, and dealers.

The manual is organized as follows:

Section 1 — Technical Information, provides an overview of the hardware and interface components.

Section 2 — General Specifications, lists system specifications including dimensions, weight, environment, safety compliance, and power consumption.

Section 3 — Hardware Functional Overview, defines major system functions and subsystems.

Section 4 — Troubleshooting and Repair, lists technical support phone numbers, error messages and their meanings, and ways to troubleshoot problems users encounter with the notebook.

Section 5 — Field Service Guidelines, provides system disassembly procedures, and an exploded-view diagram with corresponding part numbers.

Appendix A — Video Modes, provides a list of video modes available for use with the notebook.

An Index is included for convenience.
