The Beige Man An Irene Huss Investigation:

The Beige Man Helene Tursten, 2015-02-03 A speeding BMW leaves a dead pedestrian in its wake and leads police to the corpse of a young girl in a cellar Detective Inspector Irene Huss's ensuing investigation draws her into the chilling world of sex trafficking in Gothenburg, Sweden The high speed chase of a stolen BMW takes a chilling turn when the two police officers involved witness a gruesome hit and run When they finally recover the abandoned vehicle search dogs are unable to trace the thieves but they do uncover an entirely different horror the half naked corpse of a young girl in a nearby root cellar As Detective Inspector Irene Huss and her colleagues struggle to put the pieces together they discover the man whose car was stolen a retired police officer is none other than the victim in the hit and run Could it be a strange coincidence Or is something larger at play Meanwhile the hunt for the girl's killer leads Irene into the dark world of sex trafficking An international criminal has arrived in Gothenburg and he'll stop at nothing to expand his sinister operation *An Elderly Lady Is*

Up to No Good Helene Tursten, 2018-11-06 Maud is an irascible 88 year old Swedish woman with no family no friends and no qualms about a little murder This funny irreverent story collection by Helene Tursten author of the Irene Huss investigations features two never before translated stories that will keep you laughing all the way to the retirement home Ever since her darling father's untimely death when she was only eighteen Maud has lived in the family's spacious apartment in downtown Gothenburg rent free thanks to a minor clause in a hastily negotiated contract That was how Maud learned that good things can come from tragedy Now in her late eighties Maud contented herself with traveling the world and surfing the net from the comfort of her father's ancient armchair It's a solitary existence and she likes it that way Over the course of her adventures or misadventures this little bold lady will handle a crisis with a local celebrity who has her eyes on Maud's apartment foil the engagement of her long ago lover and dispose of some pesky neighbors But when the local authorities are called to investigate a dead body found in Maud's apartment will Maud finally become a suspect *An Elderly Lady Must Not Be*

Crossed Helene Tursten, 2021-10-05 Don't let her age fool you Maud may be nearly ninety but if you cross her this elderly lady is more sinister than sweet Just when things have finally cooled down for 88 year old Maud after the disturbing discovery of a dead body in her apartment in Gothenburg a couple of detectives return to her doorstep Though Maud dodges their questions with the skill of an Olympic gymnast a fifth of her age she wonders if suspicion has fallen on her little old lady that she is The truth is ever since Maud was a girl death has seemed to follow her In these six interlocking stories memories of unfortunate incidents from Maud's past keep bubbling to the surface Meanwhile certain Problems in the present require immediate attention Luckily Maud is no stranger to taking matters into her own hands even if it means she has to get a little blood on them in the process Includes cookie recipes *Snowdrift* Helene Tursten, 2020 It's been fourteen years since Detective Inspector Embla Nystrom's best friend disappeared from a nightclub but Embla recognises her voice on a surprise call before it is abruptly disconnected Embla is thrilled to learn Lollo is still alive but before she can find out more she gets

another call this time from a relative A man has been found shot dead in one of the guest houses he manages in rural Sweden Could she come take a look When Embla arrives on the scene she receives another shock The dead man is Milo Stavic a well known gang member and one of the last people seen with Lollo *Winter Grave* Helene Tursten,2020-11-03 In this thrilling mystery set in rural Sweden Detective Inspector Embla Nyström must solve a murder case and find two missing children before the small town takes matters into their own hands When a little girl disappears a few weeks before Christmas suspicion falls on the last person she was seen with the teenage loner who gave her a ride home after school Complicating the matter is the fact that detectives can hardly get a word out of him When a second child disappears and a police officer is found dead tensions in the small town of Strömstad reach an all time high Meanwhile 28 year old Detective Inspector Embla Nyström has just returned to work and is still recovering from her recent brush with a killer which left her unable to get back in the ring to defend her title of Nordic light welterweight champion As she hunts for the missing children Embla can't help but think of the case that has been haunting her for years the disappearance of her childhood best friend Could the incidents be linked With the passing of each dark winter day the odds of finding the children alive shrink and desperation mounts Their parents want answers and will stop at nothing to get them **Detective Inspector Huss** Helene Tursten,2004-05-01 One of the most prominent citizens of Göteborg Sweden plunges to his death off an apartment balcony but what appears to be a society suicide soon reveals itself to be a carefully plotted murder Irene Huss finds herself embroiled in a complex and high stakes investigation As Huss and her team begin to uncover the victim's hidden past they are dragged into Sweden's seamy underworld of street gangs struggling immigrants and neo Nazis in order to catch the killer *The Torso* Helene Tursten,2007-04-01 The chilling third installment in the critically acclaimed Detective Inspector Huss series A partial torso washes up on a Swedish beach so mutilated that gender is only established through DNA testing Detective Inspector Irene Huss of the Göteborg Police liaises with her Danish counterparts who have a similar unsolved murder in their files But when people connected to Irene start turning up dead she fears she might be next **Who Watcheth** Helene Tursten,2016 A woman is found dead in a cemetery strangled and covered in plastic Just a few days before her death the victim had received a flower an unintelligible note and a photograph of herself Detective Inspector Irene Huss and her colleagues on the Göteborg police force have neither clue nor motive to track in the case and when similar murders follow their search for the killer becomes increasingly desperate *Talking Book Topics* ,2021 *The Golden Calf* Helene Tursten,2013-02-05 In this fifth installment in the critically acclaimed Irene Huss series three men are found brutally executed in one of Göteborg's most fashionable neighborhoods All three men were involved in an online poker company but that's all they appear to have in common The complex investigation immerses Detective Inspector Irene Huss and her colleagues into a world of expensive cars fancy homes and impressive castles in the air Meanwhile the normally peaceful atmosphere of the Huss family is disturbed by marital tension as Irene suspects her husband Krister of having an affair with a younger woman *The Glass*

Devil Helene Tursten, 2007-04-01 The fourth investigation in the nationally bestselling Swedish detective series When one of his teachers fails to show up for work a high school principal calls his friend on the Göteborg police force To Detective Inspector Irene Huss's surprise her boss takes the complaint seriously even bringing her with him to a remote cottage in southern Sweden to investigate There they discover the body of the teacher in question victim of a rifle shot to the head When they visit his parents to break the news they find the couple dead in their bed each shot between the eyes The family's sole surviving member their daughter in London is too grief stricken for questioning A swath of suspects arises as Irene investigates but she has a hunch the answers to this case lie in England The Treacherous Net Helene Tursten, 2015-12-15

It's May and the snow has hardly melted in Göteborg Sweden but things are heating up quickly for Detective Inspector Irene Huss in the Violent Crimes Unit The body of a teenage girl is found in the woods naked and horrifically scarred Then there's the mummified body that is discovered bricked up in a chimney on a demolition site not to mention the city's ongoing problem with gang violence With the sudden influx of cases and one detective out on maternity leave everyone is stretched thin To make matters worse Irene feels more than a little intimidated by the new superintendent Efva Thylqvist who uses her sex appeal and smooth talking to bend the predominately male staff to her will Then a second young girl is found wearing what appears to be the other half of the sexy lingerie set recovered near the first body Fearing the two cases are linked and that the killer may strike again Irene and her colleagues embark on a desperate hunt that takes them deep into a shadowy world of anonymous online predators and insecure teenage girls on a deadly quest for affirmation *The Fire Dance* Helene Tursten, 2014-12-02

Detective Inspector Irene Huss hasn't seen Sophie Malmberg for over fifteen years but she's still haunted by the strange young ballerina's role in the fire that killed her stepfather Why had she refused to speak to Irene and the other case workers Could an eleven year old even one as disturbed and aloof as Sophie truly be capable of setting her own house on fire Irene's questions resurface when Sophie now a young adult disappears and the charred remains of a dancer are found in an abandoned warehouse Irene has a startling realization that could shed light on the case that has been lingering in the back of her mind since the beginning of her career
