The Book Of Jewish Values:

The Book of Jewish Values Rabbi Joseph Telushkin, 2000-02-22 Rabbi Joseph Telushkin combed the Bible the Talmud and the whole spectrum of Judaism's sacred writings to give us a manual on how to lead a decent kind and honest life in a morally complicated world An absolutely superb book the most practical most comprehensive guide to Jewish values I know Rabbi Harold Kushner author of *When Bad Things Happen to Good People* Telushkin speaks to the major ethical issues of our time issues that have of course been around since the beginning He offers one or two pages a day of pithy wise and easily accessible teachings designed to be put into immediate practice The range of the book is as broad as life itself The first trait to seek in a spouse Day 17 When if ever lying is permitted Days 71-73 Why acting cheerfully is a requirement not a choice Day 39 What children don't owe their parents Day 128 Whether Jews should donate their organs Day 290 An effective but expensive technique for curbing your anger Day 156 How to raise truthful children Day 298 What purchases are always forbidden Day 3 In addition Telushkin raises issues with ethical implications that may surprise you such as the need to tip those whom you don't see Day 109 the right thing to do when you hear an ambulance siren Day 1 and why wasting time is a sin Day 15 Whether he is telling us what Jewish tradition has to say about insider trading or about the relationship between employers and employees he provides fresh inspiration and clear guidance for every day of our lives **The Book of Jewish**

Values Louis Jacobs, 1969 **A Code of Jewish Ethics: Volume 1** Rabbi Joseph Telushkin, 2009-02-04 *A Code of Jewish Ethics Volume 1* You Shall Be Holy is the initial volume of the first major code of Jewish ethics to be written in the English language It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time With the stated purpose of restoring ethics to its central role in Judaism Rabbi Joseph Telushkin offers hundreds of examples from the Torah the Talmud rabbinic commentaries and contemporary stories to illustrate how ethical teachings can affect our daily behavior The subjects dealt with are ones we all encounter They include judging other people fairly knowing when forgiveness is obligatory optional or forbidden balancing humility and self esteem avoiding speech that shames others restraining our impulses of envy hatred and revenge valuing truth but knowing when lying is permitted understanding why God is the ultimate basis of morality and appreciating the great benefits of Torah study Telushkin has arranged the book in the traditional style of Jewish codes with topical chapters and numbered paragraphs Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life The book can be read straight through to provide a solid grounding in Jewish values consulted as a reference when facing ethical dilemmas or studied in a group Vast in scope this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest decent and just It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come rich with questions to ponder and discuss but primarily a book to live by **Jewish Values** Louis Jacobs, 1960 *The Sages Speak* William B.

The Ten Commandments of Character Rabbi Joseph Telushkin,2004-10-26 Here is a wealth of astute and warmhearted counsel on many of life s most difficult ethical dilemmas Joseph Telushkin outlines his ten commandments of character explaining why each one is so vital and then addresses perplexing issues that can and often do crop up in our lives relating to family friends work community medical ethics and money such as How honest should you be when you are asked to give a reference How much assistance should you give your son with his college application essay Is it wrong to receive a kidney from an executed prisoner in China What should you do if your father begs you to end his life rather than allow him to descend into the hell of Alzheimer s Should a brother give up part of his inheritance if his sister has children and considerable expenses and he doesn t Should a dying woman reveal to her husband that their son is not really his Many of us are finding it increasingly hard to tread the fine line between right and wrong In The Ten Commandments of Character Telushkin faces these issues squarely and shows us how to live a life of true integrity At a time when so many people are looking for moral guidance we are lucky to have Joseph Telushkin as our guide and teacher I am thoroughly impressed by his wisdom and good sense Rabbi Harold Kushner author of When Bad Things Happen to Good People **Hillel** Joseph Telushkin,2010-09-14 Part of the Jewish Encounter series What is hateful unto you do not do unto your neighbor That is the

whole Torah all the rest is commentary Now go and study This is the most famous teaching of Hillel one of the greatest rabbis of the Talmudic era What makes it so extraordinary is that it was offered to a gentile seeking conversion Joseph Telushkin feels that this Talmudic story has great relevance for us today At a time when religiosity is equated with ritual observance alone when few Jews seem concerned with bringing Jewish teachings into the world and when more than 40 percent of Jews intermarry Judaism is in need of more of the openness that Hillel possessed two thousand years ago Hillel's teachings stories and legal rulings can be found throughout the Talmud many of them share his emphasis on ethical and moral living as an essential element in Jewish religious practice including his citing the concept of tikkun olam repairing the world as a basis for modifying Jewish law Perhaps the most prominent rabbi and teacher in the Land of Israel during the reign of Herod Hillel may well have influenced Jesus his junior by several decades In a provocative analysis of both Judaism and Christianity Telushkin reveals why Hillel's teachings about ethics as God's central demand and his willingness to encourage the process of conversion began to be ignored in favor of the stricter and less inclusive teachings of his rabbinic adversary Shammai Here is a bold new look at an iconic religious leader
