The Borzoi Killings:

Field and Stream, 1926 *The Killing of Crazy Horse* Thomas Powers, 2010-11-02 He was the greatest Indian warrior of the nineteenth century His victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat inflicted on the frontier Army And the death of Crazy Horse in federal custody has remained a controversy for more than a century The Killing of Crazy Horse pieces together the many sources of fear and misunderstanding that resulted in an official killing hard to distinguish from a crime A rich cast of characters whites and Indians alike passes through this story including Red Cloud the chief who dominated Oglala history for fifty years but saw in Crazy Horse a dangerous rival No Water and Woman Dress both of whom hated Crazy Horse and schemed against him the young interpreter Billy Garnett son of a fifteen year old Oglala woman and a Confederate general killed at Gettysburg General George Crook who bitterly resented newspaper reports that he had been whipped by Crazy Horse in battle Little Big Man who betrayed Crazy Horse Lieutenant William Philo Clark the smart West Point graduate who thought he could work Indians to do the Army's bidding and Fast Thunder who called Crazy Horse cousin held him the moment he was stabbed and then told his grandson thirty years later They tricked me They tricked me At the center of the story is Crazy Horse himself the warrior of few words whom the Crow said they knew best among the Sioux because he always came closest to them in battle No photograph of him exists today The death of Crazy Horse was a traumatic event not only in Sioux but also in American history With the Great Sioux War as background and context drawing on many new materials as well as documents in libraries and archives Thomas Powers recounts the final months and days of Crazy Horse's life not to lay blame but to establish what happened **Who Killed Piet Barol?** Richard Mason, 2017-01-24 A haunting gloriously imagined novel by the acclaimed author of *History of a Pleasure Seeker* a classic *The Washington Post* set in early twentieth century colonial Cape Town and a forest full of witch doctors stingless bees and hungry leopards It is 1914 Germany has just declared war on France Piet Barol was a tutor before he came to South Africa his wife Stacey an opera singer In Cape Town they are living the high life impersonating French aristocrats but their lies are catching up with them The Barols furniture business is on the verge of collapse They need top quality wood and they need it cheap Piet enlists two Xhosa *pron KO sa* men to lead him into a vast forest in search of a fabled tree The Natives Land Act has just abolished property rights for the majority of black South Africans and whole families have been ripped apart Piet's guides have their own reasons to lead him through the trees and to keep him alive while he's useful to them Far from the comforting certainties of his privileged existence Piet finds the prospect of riches beyond measure and the chance to make great art He is sure he'll be able to buy what he needs for a few glass trinkets But he's underestimating the Xhosa who believe the spirits of their ancestors live in this sacred forest Battle lines are drawn When Piet's powers of persuasion fail him he resorts to darker more dangerous talents to get what he is determined to have As the story moves to its devastating conclusion every character becomes a suspect and Piet's arrogance and guile put him on a collision course
