The Brains Way Of Healing Remarkable Discoveries:

The Brain's Way of Healing Norman Doidge, 2016-01-26 In his groundbreaking work *The Brain That Changes Itself* Norman Doidge introduced readers to neuroplasticity the brain's ability to change its own structure and function in response to activity and mental experience Now his revolutionary new book shows how the amazing process of neuroplastic healing really works *The Brain's Way of Healing* describes natural noninvasive avenues into the brain provided by the energy around us in light sound vibration and movement that can awaken the brain's own healing capacities without producing unpleasant side effects Doidge explores cases where patients alleviated chronic pain recovered from debilitating strokes brain injuries and learning disorders overcame attention deficit and learning disorders and found relief from symptoms of autism multiple sclerosis Parkinson's disease

The Brain's Way of Healing Norman Doidge, 2015-01-29 Sunday Times bestseller In *The Brain's Way of Healing* Norman Doidge the bestselling author of *The Brain That Changes Itself* presents astounding discoveries in the brain's healing power This book is about the discovery that the human brain has its own unique way of healing For centuries we believed that the price we paid for our brain's complexity was that compared to other organs it was fixed and unregenerative unable to recover from damage or illness In his revolutionary new book Norman Doidge turns this belief on its head The phenomenon of neuroplasticity the discovery that the brain can change its own structure and function in response to mental experience is the most important change in our understanding of the brain and mind since the beginning of modern science Here Doidge shows how the amazing process of neuroplastic healing really works When it is understood it is often possible to radically improve and even cure many conditions thought to be irreversible Doidge introduces us to the doctors therapists and patients who are healing the brain without surgery or medication We meet patients who have alleviated years of chronic pain children on the autistic spectrum or with ADD or learning disorders who have used neuroplastic techniques to complete a normal education and become independent sufferers who have seen symptoms of multiple sclerosis Parkinson's disease brain injuries and cerebral palsy radically diminish and we learn how to lower our risk of dementia by 60% Through hopeful astonishing stories *The Brain's Way of Healing* explains how mind brain and body and the energies around us work together in health and healing
