Celtic Myth in Contemporary Children's Fantasy Dimitra Fimi,2017-03-06 Runner up of the Katherine Briggs Folklore Award 2017 Winner of the Mythopoeic Scholarship Award for Myth Fantasy Studies 2019 This book examines the creative uses of Celtic myth in contemporary fantasy written for children or young adults from the 1960s to the 2000s Its scope ranges from classic children's fantasies such as Lloyd Alexander's The Chronicles of Prydain and Alan Garner's The Owl Service to some of the most recent award winning fantasy authors of the last decade such as Kate Thompson The New Policeman and Catherine Fisher Darkhenge The book focuses on the ways these fantasy works have appropriated and adapted Irish and Welsh medieval literature in order to highlight different perceptions of Celticity The term Celtic itself is interrogated in light of recent debates in Celtic studies in order to explore a fictional representation of a national past that is often romanticized and political Written for Children John Rowe Townsend,1996 This is a brief readable account of

English prose fiction for children from its beginning main streams of development and includes the Courtesy Books of a later age and the work of the remarkable John Newbery in the eighteenth century The nineteenth century which began with Mrs Sherwood s The Fairchild Family designed to strike the fear of hellfire into every child s soul later saw the works of Lewis Carroll Stevenson Henty and the development of the school story from Tom Brown to Stalky Book Jacket

A Century of Welsh Myth in Children's Literature Donna R. White,1998-04-08 Myth legend and folklore have been entrenched in children s literature for several centuries and continue to be popular Some of the most ancient traditional tales still extant come from the Celtic cultures of France and the British Isles whose languages are among the oldest in Europe Among these tales are four native Welsh legends collectively known as the Mabinogi which were first translated into English in 1845 by Lady Charlotte Guest Numerous children s books have been based on the Mabinogi since then and many have received awards and critical acclaim Because these books are written for children they are not necessarily faithful retellings of the original tales Instead authors have had to select certain elements to include and others to exclude This book examines how authors of children s fantasy literature from the 19th century to the present have adapted Welsh myth to meet the perceived needs of their young audience The volume begins with a summary of the four principle tales of the Mabinogi Pwyll Prince of Dyfed Branwen Daughter of Llyr Manawydan Son of Llyr and Math Son of Mathonwy Books based on the Mabinogi generally fall into two categories retellings of the myths and original works of fantasy partially inspired by the Welsh tales Beginning with Sidney Lanier s The Boy s Mabinogion the first part of this book examines versions of the myths published for children between 1881 and 1988 The second part discusses imaginative literature that borrows elements from the Mabinogi including Alan Garner s The Owl Service which won a Carnegie medal and Lloyd Alexander s Chronicles of Prydain the final volume of which received the ALA Newbery Award for outstanding children s book
