all recognizable accoutrement of kinky sex but I was interested in exploring the personal psychological side BDSM is an acronym with several constituent parts bondage and discipline dominance submission sadism and masochism Collectively these behaviors might be referred to as aspects of kink a term which covers the broad expanse of non normative sexuality It includes BDSM it can also encompass things like watersports and various fetishes like latex or balloons I use we when referring to this community because I find myself a member of it though like any imagined community membership is as much self designated as it is given I m interested in BDSM In particular I like submission I ve explored rope bondage been to play parties and incorporated it into many of my romantic and sexual relationships For julie the appeal lies in how it allows her to access pain while being in full control of that pain she can end it at any time with her safe word BDSM allows her to process complex traumatic experiences in a way that s safe and consensual Her story resonated with my own experiences with BDSM too trusting a beloved partner to give me what I need while knowing that I m in full control of the situation is exhilarating Is that feeling universal If you ve ever fantasized about getting kinky in the bedroom you re not alone The runaway success of E L James s novel Fifty Shades of Grey more than 100 million copies sold not to mention the sales of other books in the series and the movies it s generated prove that interest in BDSM bondage and discipline dominance and submission and sadism and masochism is anything but rare It s very out in the culture right now but it s not fully out of the shadows yet says Gentile People are still embarrassed to talk about sex What they discover when they dive a little deeper into it is that in BDSM you actually get to talk about what you like what you re curious about and what is a definite No It s clear overt and collaborative and that can feel delightful And if you like it if you have control over what happens it s all good fun Wait Why waste your time with my long talk when you can dive in rightaway **CLICK THE BUY BUTTON NOW TO GET STARTED** [Dom's Guide To BDSM Vol. 2](#) Matthew Larocco,2015-09-03 Dom s Guide to BDSM was specifically written for Doms Masters In Volume 2 of this series we re going to focus on how to better communicate with a sub and how to go back and forth with role playing We re going to teach you how to express yourself how to read your sub and look for cues and how to go about getting a real life BDSM relationship started We re also going to discuss how to train your sub accordingly and with a purpose This is important and is an often neglected part of the BDSM community The highly sensationalized purely sexual relationships you read about or see depicted in TV or movies is not the only type of relationship forged Some relationships really are all about personal missions self improvement and getting in touch with suppressed inner feelings We will cover this as well as the most important part of BDSM dominance having a plan You will learn how to be an excellent Dom and it all starts with a few simple steps Note If you have not read Volume 1 in this series Dom s Guide To BDSM Vol 1 49 Must Know Tips On How To Be The Perfect Dom Master Your submissive Will Truly Respect Admire it is highly recommended that you do so before taking on this book
