The Book Of Dad:

"The Book of Dad" Robert A. Benson,2009-04 My motivation for this collaboration is trying to be the best parent I possibly can Meeting this end has been challenging because of the professions I have been evolved with the ages of my children and frankly my inability to consistently calmly get them to understand what I want to tell them Don t get me wrong the difficulty doesn t stem from their deficiencies rather mine I spent exactly 24 years and one month in the United States Air Force I have been retired for about six years and have been a teacher still teach college courses and a councilor at a university Currently I am in the aviation management profession Over the years I have been married twice and fathered three children My daughter Erica 27 born in Columbus Mississippi my oldest son Ulon Marcus 19 at Terrejon Air Base near Madrid Spain and my youngest son Robert A Drew in Warner Robins Georgia The love I have for these three is unlike any other love I have for anyone else I can remember what I believed was a near death experience As far as I know I may have died all I remember is that I had a severe sinus problem and could not breathe While sleeping I stopped breathing I remember being surrounded and subdued by many I could not move somehow I knew that there was a higher power over me and that I was not dreaming After a bit I heard this calming but firm voice tell me to always be good to your children Once the voice spoke to me the people who were holding me down let me go and then I suddenly jumped up I still had major difficulty breathing at any rate that was what I considered my calling at the time Needless to say I haven t always met with that mandate Through out my career during and after the military I have spent more time than I care to admit away from my family Without getting into specifics I have been relegated to minimal communication with them To compensate for my lack of presence I started sending them daily text messages I did this for the better part of a year Then one day I look at the work I did and decided to publish these quotes into a memoir that may serve to help others in the same predicament These quotes are encouraged by my life experiences and observation of the experiences and situations my children are currently involved in I have written hundreds however this book will only list 200 of them I hope you enjoy them as much as I was inspired to write them The Book of Dad Paul Barker,2011-05-26 The Book that will forever define the essentially comic state of being acting looking and sounding like a Dad **You Know You're a Dad** Harry Harrison,2017-04-04 You know you re a dad when you re more impressed by the latest innovations in stroller technology than in your old sports car You know you re a dad when a wild Friday night means falling asleep in front of a cartoon with your toddler You know you re a dad when all you want for Christmas is a nanny **The Book of Dad** Robert Benson,2009-04-01 My motivation for this collaboration is trying to be the best parent I possibly can Meeting this end has been challenging because of the professions I have been evolved with the ages of my children and frankly my inability to consistently calmly get them to understand what I want to tell them Don t get me wrong the difficulty doesn t stem from their deficiencies rather mine I spent exactly 24 years and one month in the United States Air Force I have been retired for about six years and have been a teacher still teach college courses and a

The Dad Book Phil Sparrow, 2016-09-22 When we moved to Afghanistan we took turns watching our eight month old daughter our only child I watched her in the early morning so that my wife could sleep Our adorable girl rolled around while I tried to read and draw some inspiration for life in that hard country It never came I took little joy in these times I was resentful at our daughter for disrupting my reading resentful at the books for failing to inspire me and resentful at my wife for sleeping in One day I looked up from the lifeless text in my hands at my child sitting on the floor just in front of me I knew from what little parenting instinct I had that she wanted to engage with me It was almost as if she said Trust me I put down the book and decided that from that moment on mornings were hers These stories of being a father come from around the world Cuba India the USA Australia England Switzerland Sweden and elsewhere but they have in common an honesty about the gift and work of being a father The Dad Book is not about how to be a better Dad It's about being a Dad the struggles the regrets the things we got wrong and the things we get right The moments of joy and wonder the things we learn along the way and the things we'd rather forget And the things we want to remember Phil Sparrow avoids the usual happy clappy clichés about being a dad and instead gives us a collection of frank stories that don't shy away from discussing the hard stuff Written by dads about being dads it is a down to earth book of personally informed stories about not only the joys but also the regrets hurts and the confusion that often comes with the job There's a dose of gentle humour a few confessions of things that could have been better done a fair bit of hope and wisdom
