Smith,2013-03-19 What does it mean to be naked in public Approaching this question from across the disciplines this book examines the evolution of female exhibitionism from criminal taboo to prime time entertainment Taking an interdisciplinary approach which brings together all fields of popular culture including literature media film and linguistics Claire Nally and Angela Smith offer an examination of gendered exhibitionism from the mid twentieth century to the present day They ask

whether bodily exposure provides the liberation it professes to or restricts our most secret selves to the sanitised realm of socially sanctioned gender roles From the art of burlesque as a riotous kingdom of the imagination to reality TV which helps women to unearth their true and buried feminine selves Nally and Smith explore how the critical history and theory of exhibitionism intersects with the wider movement towards gender equality Examining effects of second wave feminism to problematise the naked female form female and gender transgressive performers from Bette Davis to Dita von Teese are placed in their cultural context In order to demonstrate that female exhibitionism remains at the heart of popular culture this book also examines the works of Peter Ackroyd and the controversial playwright Sarah Kane uncovering the contradictions behind evolving representations of public exposure Within a post feminist framework the cultural constructions behind the repackaging of female exhibitionism are explored and the prominence of bodily exposure in popular culture examined along with the implications of those artists who perform gender as a public masquerade Finally hit TV shows *Ladette to Lady* and *How to Look Good Naked* are interrogated to expose the buried contradictions behind this public unveiling are women seizing control of their own identity or is this revelation an illusion Innovative unflinching and pertinent *Naked Exhibitionism* explores naked bodies in the public gaze and critically reformulates the feminist and cultural debate around the performance of gender

The Situation Lila Glasoe Francese, 2020-05-05 *The Situation* A Radical Journey Thru Sisterhood is an intimate portrayal of two sisters Carolyn and Lila whose lives are deeply intertwined over forty years The official FDNY response time to 9 11 was five seconds Five seconds That's how long it took for FDNY for NYPD for Port Authority EMS to respond to an urgent need from the public Five seconds Hundreds died in an instant Thousands more poured in to continue to fight for their brothers and sisters The breathing problems started almost immediately and they were told they weren't

sick they were crazy And then as the illnesses got worse and things became more apparent Well okay you're sick but it's not from the pile And then when the science became irrefutable Okay it's the pile but this is a New York issue I don't know if we have the money And I'm sorry if I sound angry and undiplomatic But I'm angry and you should be too and they're all angry as well and they have every justification to be that way Your indifference cost these men and women their most valuable commodity time It's the one thing they're running out of Jon Stewart's testimony before Congress Jon Stewart's testimony before Congress reminded America in scathing terms of their responsibility to 9/11 first responders but the effects of that day spread to nearby residents as well Carolyn Glasoe Bailey owned an art gallery in lower Manhattan and years later in Los Angeles she was diagnosed with brain cancer Her doctors told her it was mostly likely due to her proximity to Ground Zero When Jon Stewart took to CSPAN it moved Lila Glasoe Francese her sister to finally release the book she wrote about Carolyn's journey When Carolyn is diagnosed with glioblastoma brain cancer Lila is unaware of the complexity of the diagnosis and unprepared for the devastating path to come When she was told she had cancer Carolyn opted into treatment even knowing it might change her personality At that time Lila went to search for a book to help her understand what her sister was going through and what her family should expect She couldn't find anything to support her So she wrote the book she needed at the time to support others in their own journey *The Situation* takes readers on an emotional and intense journey that explores the lifelong bond between siblings and the aching loss of deep relationship Like *When Breath Becomes Air* by Paul Kalanithi and *Being Mortal* by Atul Gawande it deals intimately with the choices terminal patients face and the effect of those choices on those who love them *Body Belly Soul* Nicole Bailey, 2021-12-07 This book is not only a personal journey of pregnancy and birth it explains situations many new mothers find themselves in Perhaps you're an expecting mother that does not feel completely comfortable with your healthcare provider and you need direction on next steps Maybe the idea of induction has been presented and you're in need of holistic ways to jump start labor Or you've just given birth and find yourself experiencing breastfeeding woes like clogged ducts and isolation due to generational disconnects This book explores common scenarios that Black Mothers are finding themselves in every 40 weeks and so much more you wish your mom auntie or sister shared with you This book is a guide for any Black mother refusing to give away her power in birthing spaces The Black Mother who knows without a doubt her choices matter her mindset matters and who she surrounds herself with matters This is for the Black mother ready to take accountability for her birth experience through thoughtful preparation despite the status quo Birth does not happen to us *WE Birth babies* Includes Checklists for each part of the preparation *Body Belly and Soul* A list of nourishing and replenishing food for you and your baby Prenatal and Postnatal Holistic ways to train your body for D Day Interventions explained The reason and the consequences Affirmations and empowerment from our ancestors How to hold providers accountable Discovery of non medical comfort measures Ways to ramp up Milk production *The Tugboater Family* Bob Ojala, 2021-09-07 Ship and tugboat operations are some of the most

dangerous professions Most days there is potential danger lurking nearby and the lives of the men and women working under these potentially dangerous conditions must not only cooperate but they must also watch out for each other and care for their fellow workers Knowing the family members of the people whose lives may depend on your actions creates a special bond The crews and their wives their children and their significant others become one large family and racial and romantic relationships are accepted at face value Discrimination is not only unacceptable but it also is not safe and those who do not take that responsibility seriously are not part of the family The Tugboater Family will impress you and make you wish the rest of the world could be as responsible and caring as these people show us we can be **Stripped** Maggie M.

Werner,2020-11-11 *Stripped* examines the ways in which erotic bodies communicate in performance and as cultural figures Focusing on symbols independent of language Maggie M Werner explores the signs and signals of erotic dance audience responses to these codes and how this exchange creates embodied rhetoric Informed by her own ethnographic research conducted in strip clubs and theaters Werner analyzes the movement dress and cosmetic choices of topless dancers and neo burlesque performers Drawing on critical methods of analysis she develops approaches for interpreting embodied erotic rhetoric and the marginal cultural practices that construct women s public erotic bodies She follows these bodies out into the streets into the protest spaces where sex workers and anti rape activists challenge discourses about morality and victimhood and struggle to remake their own identities Throughout Werner showcases the voices of these performers and in the analyses shares her experiences as an audience member interviewer and paying customer The result is a uniquely personal and erudite study that advances conversations about women s agency and erotic performance moving beyond the binary that views the erotic body as either oppressed or empowered Theoretically sophisticated and delightfully intimate *Stripped* is an important contribution to the study of the rhetoric of the body and to rhetorical and performance studies more broadly
