Nursing Interview Questions - Answer-

General Information - Answer-

Tell us about yourself - Answer- I consider myself to be very enthusiastic, determined and caring. I'm all about self-improvement and growth, always welcoming challenges and learning opportunities. I always strive to be a better version of myself in every aspect and this is evident in everything I do.

EDUCATIONS:

I am a recent graduate nurse of Los Angeles Trade-Tech College with an Associates Degree in Nursing, and I'm currently enrolled for RN-BSN-MSN accelerated pathway program through Capella University. The BSN-MSN program will start in September 2021.

WORK

from 2006-2011. My work history began as a customer service person. I didn't realize how this skill would prepare me for the nursing field. Working at coffee shops greeting customers and later being promoted to cashier, barista/coffee maker, I learned how to deal with a variety of customers,... difficult and pleasant.

It's in 2011 when I first was exposed to direct patient care. I worked as a caregiver at Nazareth House retirement home. I learned basic patient care skills where my main duties were to provide assistance daily living for elderly people who suffered from Alzheimer's, Parkinson's, Multiple Sclerosis, and other neuro disorders. This is the first job I've ever forgotten. First time I put on diapers/briefs on the wrong side, the first time I puked from cleaning BM, and the first time I dealt with end of life.

In 2016 When my career was focused more on nursing skilled and acute care settings. I moved to Ashland, Oregon where I obtained my CNA1&2. My job titles are from CNA in nursing skilled and Medical tech where I gave medications orally, rectally and via syringe, working closely under RN supervision.
