Sex and the Goddess Karin E Weiss Ph.D., 2019-11-20 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980's a period of flourishing women's liberation movements against the patriarchal status quo Books about women's sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School's Program in Human Sexuality In addition I conducted women's self enrichment groups and workshops in my private practice Woman's Discovery Institute

where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers

King of the Mississippi Mike Freedman, 2019-07-09 A biting hilarious literary satire of war business and contemporary masculinity set in the cutthroat but ridiculous world of management consulting King of the Mississippi is an incisive uproarious dissection of contemporary male vanity and delusion centered around a war for dominance of a prestigious Houston consulting firm On one side of the conflict is Brock Wharton an old money ex jock whose delight in telling clients to downsize is matched only by his firm conviction that people like himself deserve to run the world On the other is Mike Fink a newly hired wily former soldier trying to ride his veteran status to the top of a corporate world that lionizes the troops without truly understanding them Brock and Mike are mortal enemies on sight bitterly divided not only by background and class but by diametrically opposed yet equally delusional visions of what it means to be a man And as their escalating conflict spirals out of control it will take them all the way from the hidebound boardrooms and gladiatorial football fields of Texas to the vapid and self serving upper echelon of Silicon Valley to the corporatized battlefield of Iraq all the while serving as a ruthlessly funny takedown of the vacuity and empty

machismo of corporate life and alpha male culture in modern America Devastatingly witty unapologetically scathing and ultimately surprisingly moving King of the Mississippi marks the arrival of a unique and scintillating new voice in American fiction one that boldly punctures the myths of American manhood like no one has since the heyday of The Bonfire of the Vanities and American Psycho

The Quest Lyman C.D. Kulathungam,2012-04-25 The human spirit seems incapable of

being stagnant ever pushing the boundaries of knowledge and experience We try to understand life through questions regarding our own existence the nature of the universe and the nature of God The question of our collective heart is the external manifestation of an internal longing a quest if you will This thirst to understand reality can be seen in superstructures that are scientific social political and especially religious When considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities These aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest Regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood Using a unique framework of analysis this book explores Christ s relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades Christ nor demeans other saviors Christ is not part of the human quest but is well equipped to satisfy that quest The Last Empress Hannah Pakula,2009-11-03 With the beautiful powerful and sexy Madame Chiang Kai shek at the center of one of the great dramas of the twentieth century this is the story of the founding of modern China starting with a revolution that swept away more than 2 000 years of monarchy followed by World War II and ending in the eventual loss to the Communists and exile in Taiwan An epic historical tapestry this wonderfully wrought narrative brings to life what Americans should know about China the superpower we are inextricably linked with the way its people think and their code of behavior both vastly different from our own The story revolves around this fascinating woman and her family her father a peasant who raised himself into Shanghai society and sent his daughters to college in America in a day when Chinese women were kept purposefully uneducated her mother an unlikely Methodist from the Mandarin class her husband a military leader and dogmatic warlord her sisters one married to Sun Yat sen the George Washington of China the other to a seventy fifth lineal descendant of Confucius and her older brother a financial genius This was the Soong family which along with their partners in marriage was largely responsible for dragging China into the twentieth century Brilliantly narrated this fierce and bloody drama also includes U S Army General Joseph Stilwell Claire Chennault head of the Flying Tigers Communist leaders Mao Tse tung and Chou En lai murderous warlords journalists Henry Luce Theodore White and Edgar Snow and the unfortunate State Department officials who would be purged for predicting correctly the Communist victory in the Chinese Civil War As the representative of an Eastern ally in the West Madame Chiang was befriended before being rejected by the Roosevelts stayed in the White House for long periods during World War II and charmed the U S Congress into giving China billions of dollars Although she was dubbed the Dragon Lady in some quarters she was an icon to her people and is certainly one of the most remarkable women of the twentieth century **Campus Beauty's Genius Master** Fei XiangDeQingWa,2020-10-07 A genius abandoning the young being treated as a servant by a beautiful female student being stepped on by a tyrant being bullied by his friends and relatives being beaten up by his friends for the sake of his friends and being thrown to the ground
