International Conference on Education and Social Science (UPINCESS 2023) Ari Kusuma Wardana,2023-12-31 This is
 an open access book Technology has had a huge impact on education and social dynamics around the world Since the
 introduction of information and communication technologies ICTs such as the internet smartphones and social media much
 has changed in the way we learn and interact with others In education technology has enabled students and teachers to
 access more diverse and engaging educational resources With internet access students and teachers can access educational
 resources from all over the world and learn about various topics and disciplines In addition technology also enables distance
 learning which allows students and teachers to connect from different locations However there are also negative impacts of
 using technology in education For example excessive use of social media and the internet can cause concentration disorders
 and addiction in students In addition too much reliance on technology can also reduce students ability to think critically and
 solve problems independently In social dynamics technology has allowed us to connect with people from all over the world
 and paved the way for greater collaboration and cultural exchange However technology has also brought negative impacts on
 social dynamics such as the spread of fake news or hoaxes cyberbullying and social media addiction In this regard technology
 can be a very useful tool if used wisely and with proper understanding of its impact Therefore to support this Universitas
 PGRI Yogyakarta was hold an international conference and Call for Papers The 2nd UPY International Conference on
 Education and Social Science UPINCESS The Impact of Technology on Education and Social Dynamics on September 27
 2023 The conference aims to discuss in depth about the impact of technology on education and social dynamics as well as
 finding appropriate solutions and strategies to minimize its negative impact and maximize its benefits Experts researchers
 and practitioners in the field of education and technology from around the world can share their knowledge and experience
 in this conference and can encourage collaboration and innovation in this field *Literature Works: Theme 3. Animals*
