Examining Evidence Lisa Hart,2008 *Feminist Perspectives on Law and Literature* Laura Schmitz-Justen,Laura A. Zander,Hanna Luise Kroll,Laura Wittmann,2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing

together more than twenty international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to represent a diverse range of positions in terms of their gender career stage and nationality

Law, Literature, and Violence Against Women Erin L. Kelley, 2024-06-10 This book engages legal and literary texts in order to examine acquaintance crimes such as rape sexual harassment stalking and domestic abuse and to challenge how the victim s physical or psychological freeze response is commonly and inaccurately mistaken for her consent Following increased interest in the MeToo movement and the discoveries of sexual abuse by numerous public figures this book analyzes themes in law and literature that discredit victims and protect wrongdoers Interpreting a present day novel alongside legislation and written court cases each chapter pairs a fictional text with a nonfictional counterpart In these pairings the themes events and arguments of each are carefully unpacked and compared against one another As the cross readings unfold we learn that a victim does not ask for it and she should not arouse suspicions just because she does not fight run away or report the crime Instead and as this book demonstrates the more common and most practical response is to become physically and mentally paralyzed by fear the victim dissociates shuts down and remains stuck in the fright and captivity of abuse This book will interest scholars and students working in and especially at the intersection of law literature gender studies and criminology
