The Law Of Attraction John Jenkins, 2019-04-02 Have you ever wondered what it is about some people that they find success so easy Why it seems as though everything they ve ever touched in their lives has turned to gold Have you ever sat and watched them jealously wishing you too could find success that easily in your life What would you say if I told you that there was a way to achieve anything that you had ever wanted from life just by using the power hidden within the depths of your own mind What if I said that I could teach you how to overcome all of your inhibitions and fears and use the laws of nature to draw success to you rather than you running after it What would you say if I said that everything that had occurred to you in your life prior to today was entirely the result of your thoughts and actions and everything that happens to you from here on out is entirely in your hands That s right You can determine your own destiny
