Thief Mark Sullivan, 2025-10-16 In Mark Sullivan's Thief Robin Monarch is a man with a complicated past and dangerous present. He's been a soldier, a CIA agent, a freelance operative, but first and foremost Robin Monarch is a thief of the highest order. Orphaned at twelve, Monarch originally stole for survival, then he stole for his friends and cohorts, now he steals to order and to give back to the woman who saved his life many years ago. With the help of his team, Monarch breaks into the legendary Christmas party of Beau Arsenault, a shady investor and behind-the-scenes player at the very highest levels of power politics. Arsenault is not above bending or breaking the rules if there's illicit profit to be made. Monarch has decided that those illicit profits will be better used to take care of orphans and street kids. Using the party as cover to break into Arsenault's secret vaults, Monarch comes away with two unexpected things. One is a bullet; he gets shot when he's caught trying to escape with tens of millions of negotiable instruments. The second is a lead on what might be his most audacious exploit ever. A previously undiscovered tribe in South America may well have the secret to the most sought-after knowledge in history: that of eternal life. And Robin Monarch must use all his skills as an operative, as a thief, to keep this secret from falling into the worst possible hands. *1993 Applications Reference Manual* Analog Devices, Inc., 1993 **The Robin**

Monarch Thrillers Mark Sullivan, 2017-12-12 Mark Sullivan, the bestselling author of *Beneath a Scarlet Sky*, keeps readers on the edges of their seats with his Robin Monarch thrillers. Three gripping novels and three favorite stories now presented in one thrilling bundle. Rogue: Ex-CIA operative Robin Monarch, caught in a high-profile jewel heist gone wrong, finds himself between a powerful cabal and technology that must remain out of their reach. Outlaw: In the second series novel, master thief Robin Monarch embarks on a dangerous journey into the underbelly of Southeast Asia to save kidnapped diplomats, only to discover another plot tied to a conspiracy that reaches the highest levels of government. Thief: Deep in the darkest recesses of the Amazon jungle, Monarch must find and extract a local treasure or risk losing someone from his past that he holds very dear. In the third volume of Mark Sullivan's compelling series *Brotherhood and Other Stories*, in these three propulsive nerve-wracking stories, Mark Sullivan introduces Robin Monarch, a man with a complicated secret past and a very grim future.
