Under the Gun (CEP #3) Harper Bentley, 2016-07-13 **Unbreakable Hearts (CEP #2)** Harper Bentley, 2014-04-26

Tilly Maxwell is a freelance photographer in New York City who happens to take the right photo at the wrong time. While on a shoot, she captures in the background of one of her pictures a man who's just committed a murder. A man whose perfect crime has now been foiled because of chance. Because of one ill-timed click of the camera, a photographer must be silenced, and Tilly's now on the run for her life. John Osby, an ex-Army Ranger who is now one of CEP's best, is shocked to see Tilly when she calls on the agency needing help. Talk about a blast from the past! They'd attended high school together, and he remembers her as the quiet, adorably awkward and somewhat nerdy photographer he'd had a crush on, but because their lives were so different, he didn't dare cross the line with her except for one drunken kiss. But now they're older, she's blossomed into a real beauty, and he intends on crossing any line he can to protect her and have her as his own. A woman who adamantly guards her heart encounters the one man who may be able to break down her barriers. When the past collides with the present, boundaries will be pushed, and unbreakable hearts will be tested to the limit. *Loch (The Powers That Be, Book 3)*

Harper Bentley, 2015-09-25 **Thursdays (The Wait, Book 1)** Harper Bentley, 2016-11-20. Birdie, I fell in love when I was 16. I married him. I thought life was good. Now he's dying. Beck, I married an addict. I didn't know it at the time. She hid it well. Now she could die. When Bernadette Birdie Chapman and Beck Griffin meet in grief counseling, they have an instant connection. For Birdie, it's a comfort to share her feelings with someone who knows what she's going through. For Beck, it's an outlet, someone who understands his anger. But neither is prepared when they fall in love. And the guilt is almost too much to bear. *Thursdays* is a love story of two broken hearts that find each other and try to become a whole. Warning: cliffhanger. *I Married a Billionaire: The Complete Trilogy Box Set* Melanie Marchande. For the first time ever, get all three books in the bestselling *I Married a Billionaire* series for one low price. I Married a Billionaire. Maddy Wainwright has given up on marriage and men. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss, Daniel Thorne, comes along with an offer she simply can't refuse. He proposes a marriage of convenience, one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two

million dollars will be enough to cover the cost of repairing a broken heart But Mr Thorne may have yet another secret in store I Married a Billionaire Lost and Found When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country she never would have guessed they'd actually stay together But over a year later she's still happily married to the slightly eccentric maddeningly attractive Daniel As he begins to come out of his shell and turn into the figurehead that his growing technology company needs Maddy finds herself dealing with a whole new set of problems And despite his newfound openness he's still keeping secrets Even from her But despite her misgivings and the ever present prattle of journalists really Maddy can't complain Then a frantic late night phone call changes everything Daniel has been accused of illegal insider trading His assets frozen he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out Maddy wants to support him but it seems all Daniel wants to do is crawl back into his shell In the midst of the chaos Maddy receives an offer to display her drawings at one of the most influential galleries in the city Pulled in two directions even as her life crashes down around her will Maddy allow Daniel to keep pushing her away or will she find a way to pull him back I Married a Billionaire The Prodigal Son Writing billionaire tech mogul Daniel Thorne's official biography is no small task His wife Maddy isn't quite sure how it fell on her shoulders but she's not exactly complaining It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before After a rocky beginning their relationship has finally settled into something comforting and secure After a while Maddy begins to reconsider her once staunch decision not to have children Then one night a ghost from Daniel's past appears His father believed to be dead has come back in hopes of repairing their relationship Daniel is devastated by the years long deception and suspicious of his father's motives in reappearing after so much time Old Mr Thorne has his reasons for disappearing but how can he possibly repair a relationship that's been so badly fractured by distance and lies Meanwhile Maddy gets some unexpected news of her own and she realizes she must find a way to reach her husband and his father to knit them all together into a family again
