Gerry Frank's where to Find It, Buy It, Eat it in New York Gerry Frank, 2001 Hundreds of new listings and special features are found in this completely updated and revised 12th anniversary edition This New York favorite guide contains the best of Manhattan s restaurants food shop services museums hotels places to go and not to go stores and special activities

Delight Your Customers Steve Curtin, 2013-07-19 Discover the hidden ways to raise your organizations customer service experiences from ordinary to extraordinary If you want to know how strong your company s customer service is ask your employees to describe what their work entails Then pay attention to whether they simply list their duties and tasks or if they speak to the true essence of their job to create delighted customers who will be less price sensitive have higher repurchase rates and enthusiastically recommend the company or brand to others The latter should be every employee s highest priority because when it s not your customers are merely the recipients of a transaction not an experience and transactions do not make for a lasting impression or inspire loyalty In *Delight Your Customers* customer service expert Steve Curtin makes a compelling case that customer service managers need to shift from monitoring service activities to modeling recognizing and reinforcing the behaviors that create happy and returning customers Things such as Expressing genuine interest Offering sincere compliments Sharing unique knowledge Conveying authentic enthusiasm Providing pleasant surprises Delivering service heroics when needed Simply based on their own personal experiences everyone knows that great customer service is rare So why wouldn t you want to provide a unique caring and beneficial experience for all your customers to rave about with others With the real world stories examples and strategies shared in *Delight Your Customers* you can take the customer service experience you offer from ordinary to extraordinary *Time Out Miami and the Florida Keys* Editors of *Time Out*, 2013-07-23 The sixth edition of *Time Out Miami and the Florida Keys* is your VIP pass to this A list city *Time Out* s intrepid team of insiders has combed its beaches bars restaurants and secret spots to create the definitive guide to the fabulous surreal life of Miami All rumors of this city being heaven s waiting room will be dispelled as Miami s vibrant youthful culture is exposed and explored We will shed light and not just a neon one on the evolution of what was once a sleepy beach town into one of the world s most glamorous spots Customer-Driven Disruption Suman Sarkar, 2019-09-03 Businesses worry about new technologies but customers are the ultimate disruptors Suman Sarkar offers bold strategies for making sure you understand your customers and keep up with their ever changing needs Disruption the brutal roiling of markets the decline of long established brands and products and the rise of new upstarts drives business failure and success Most people think technology causes disruption but technology merely enables it Changing customer needs cause disruptions and too many businesses get caught unaware Suman Sarkar offers proven strategies that will enable any business to stay radically close to its customers and address their evolving needs He argues that businesses need to focus on existing customers first research shows they re likely to spend more and are more profitable than new customers Personalization is

becoming important for the newer generations in both developed and developing markets so Sarkar describes approaches to make them cost effective In our era of instant gratification customers want what they want now Sarkar explains how you can develop and deliver products and services faster than ever And since a few bad Yelp reviews social media posts or angry tweets from customers can ruin you Sarkar shows how to proactively make sure the quality of your products and services stays better than that of your competitors The key to survival in this era of changing customer needs is to focus on and address them quickly so customers don't switch to the competition Drawing on his experiences with leading companies worldwide Sarkar offers five strategies and techniques that will keep you ahead of the curve **AT & T Toll-free National**
