

Citation Guide: Chicago/ Turabian Style

The Chicago Manual of Style,
(15th ed., 2003)

- [Copies](#) are available at SFU Library
- Call number: Z 253 U69 2003
- Copies may also be purchased from the [SFU Bookstore](#)

General Notes on Chicago Style

- **Chicago style** is sometimes referred to as **Turabian style**, which is a modified version of Chicago style, and which is outlined in *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate L. Turabian. [Copies](#) of this style manual (7th ed.) are also available at SFU Library.
- **Chicago style outlines two distinct citation styles**, and this guide covers only the Humanities style:
 - **Notes/bibliography style**, also known as "**Humanities style**." Sources are cited through *footnotes* (or *endnotes*) and a *bibliography*
 - **Author/date style**, also known as "**Scientific/Social Sciences style**." Sources are cited through *parenthetical author/date references* in the text and a *reference list*
- Your paper must be double-spaced. It is conventional to single-space footnotes and bibliographies, leaving a blank line between entries.
- Every page of the paper must be assigned a page number, including blank pages, appendices, and bibliography. Arabic numerals are centered or flush right at the top of the page.
- You need to cite and document any sources that you have consulted, even if you presented the ideas from these sources in your own words. You need to cite:
 - to identify other people's ideas and information used within your essay
 - to inform the reader of your paper where they should look if they want to find the same sources
- A citation must appear in two places in your essay:
 - in the body of your text ("in-text citations")
 - in the Reference List (at the end of your paper)
- To introduce other people's ideas in text, use the following examples:
Richardson *argues, refers to, explains, hypothesizes, compares, concludes;*
As Littlewood and Sherwin *demonstrated, proved, ... etc.*
- *Webster's Third New International Dictionary* and *Merriam-Webster's Collegiate Dictionary* are the standard **spelling** references for all Chicago citations (7.1)
- You are responsible for the **accuracy** of all information in your bibliography.

References in Text: Footnotes and Endnotes (16.19-16.35; 16.59-16.65)

- In Chicago notes/bibliography style, **footnotes or endnotes** are used to cite quotes, paraphrases, and other in-text references
 - **Footnotes** are numbered citations listed at the bottom of each page in the research paper
 - **Endnotes** are numbered citations listed on a single page at the end of the research paper
- To cite a source, a small **superscript (raised) number** is placed after each in-text reference (16.25). Throughout the paper, these **in-text references** are numbered in sequential order. For example:

Mooney found that "domestic violence has, since the 1970s, been increasingly recognized as a social problem."¹

Turabian Manual 7th Edition

Chao Zhang

Turabian Manual 7th Edition:

Right here, we have countless books **Turabian Manual 7th Edition** and collections to check out. We additionally manage to pay for variant types and after that type of the books to browse.
