Transformed into a Ts-Girl (M2f) by a Dice Natasha Osiris, 2021-04-06 This work is about male to female transition and voluntary slavery. About dominance and submission. It is partly a work of explicit erotica. FLR (Female Led Relationship) was the foundation in this feminization experiment. Humans are complex creatures who have different motives for displaying certain behaviors. Major drivers are love and fear, disapproval and approval. The dice experiment was conducted to see if the game could lead to a gender swap. We did not believe in that possibility. But it was possible. That is why this book has become a roadmap for those who want to walk that path voluntarily. This book is a source of information for Trans women and Femdoms with a lot of sexual techniques. Labelling or generalizing e.g. LGBT are the tools of discrimination of the limited mind. Dominatrix Nicole applied visible algorithms; however, social media use invincible algorithms which determine who you will be. They satisfy and manipulate your need for love and approval. Your gender identity is now a toy in the hands of the invisible owner of the Social Media. Today a man, Tomorrow gay or a trans woman. Today a woman, Tomorrow lesbian or a trans man. The dice experiment is proof. Be prepared. *The Adult Baby - An Identity on the Dissociation Spectrum* Dylan Lewis, 2019-11-05 Dylan Lewis in conjunction with Dax Jordan has put together a lengthy and substantive book that addresses the crucial elements of the Adult Baby identity, a question that plagues us all. The author makes a well-researched and brilliantly written case that the core of the Adult Baby Identity is one that fits on the dissociation spectrum. It may be a long way from the Dissociative Identity Disorder we know much about, but it is still on that spectrum, if at the other end of it. If you are an adult baby or you live with one, this is THE book that will clue you in to who you are, how you behave, and why you do what you do. A 65,000 word meticulously researched book that belongs on the bookshelves of every AB, every partner of an AB, and every therapist tasked with helping an AB find the balance and understanding they so desperately crave. One of the best books on the topic ever written. **Anton Chekhov: The**

Ethno-erotic Economies George Paul Meiu,2017-10-10 Ethno erotic Economies explores a fascinating case of tourism focused on sex and culture in coastal Kenya where young men deploy stereotypes of African warriors to help them establish transactional sexual relationships with European women In bars and on beaches young men deliberately cultivate their images as sexually potent African men to attract women sometimes for a night in other cases for long term relationships George Paul Meiu uses his deep familiarity
